Puss likes a bath, too

When Joan Henderson, Bristow Street, takes her bath she invariably has company. Her eight-year-old Siamese cat, Peking, loves nothing better than to hop into the tub for a wash too...even has a preference for a certain type of shampoo!

FESTIVAL HIGHLIGHTS

So much happened in Wanganui during the Festival that we have had to condense quite a lot of it into these two pages. Pictured above left during a ballet performance at the Opera House is Clare McDonald, herself a candidate in the Festival Queen contest. Very very popular too was the parade of fashions at Virginia Lake. A very large crowd sat in the sunshine on the grassy banks and watched proceedings on a floating stage. Some of the crowd is pictured top right. In the pic below it, compere Lucy Arcus is announcing Mrs Pamela Stent and her daughter Joanne as winners of the mother-and-daughter competition. Below: Even a swan flapped her wings in appreciation of the crowd on the lakeshore.

Above: Speaker of the House of Representatives, Mr Roy Jack, officiated at the opening of the Arts and Crafts exhibition.

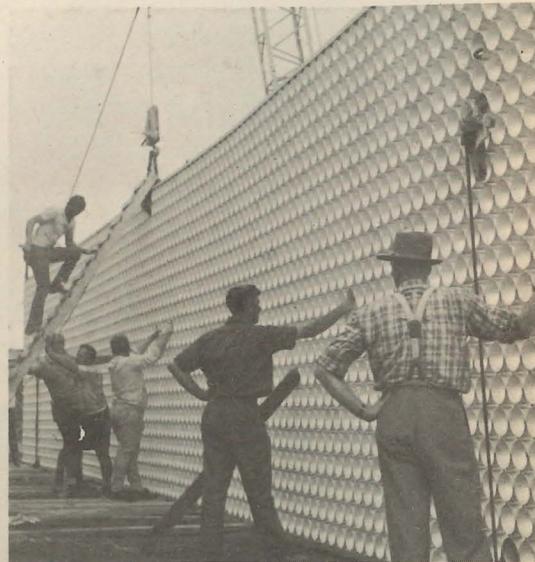

And talking of Arts...what a great idea it was to have that "paint-in" on the Memorial Hall forecourt. Anybody who fancied a dab was supplied with paints and easel and left to it. Mrs Win Seddon (right) fancied a moose standing in a stream. Below: Mrs Linwood chose a still-life subject. Bottom right: Twelve-year-old Tim Minnell preferred to take it easy as he worked.

BOOK REVIEW:

Terry McLean's book on the 1967 All Black's tour "All Black Magic" is most certainly a must for all followers of the code. A book to be treasured (even if just for an argument-settler in the years ahead), All Black Magic gives a Pressman's account of the games and the stories behind the scenes. There is all you need to know in this book—facts about the players themselves, facts about the games they played, and facts about the fun they enjoyed. And for rapid reference...statistics of games played, players used, points scored, who scored them etc.

Lovely Candidates

The choosing of Wanganui's Festival Queen from sixteen attractive candidates must have been very hard for the three judges. Their choice was Miss Barbara Glazewski, top left, and the princesses selected were Sandra Wadey, above, and Rosemary MacLean, top right. ACES ARE CHAMPS

Championship, knockout and combined titles went to Aces Yellow when they clinched a 2-0 victory win over Braves at the Stadium last month. Some smart batting and running by Aces and some bad errors by Braves contributed to Wanganui having a change in softball champions after so many years.

SCOTTISH INVASION

Well wasn't it just great? A whole weekend of "New Year's eve" when the Dominion Pipe Band championships were staged at Cook's Gardens last month. Thousands and thousands of people thrilled to the skirl of the pipes and the throb of the drums as kilted bandmen from all over the country vied for the glory of being the best band in the country. The colourful spectacle was something that none of us will forget. We present on these pages some candid photos of the contest.

Wine and Food

A popular part of the Wanganui Festival proved to be the wine and food forums. When the word got around after the first couple of functions the final evening was a sell-out. For only one dollar guests were lectured on various cheeses, bread and biscuits and wines, shown a film and given the opportunity to eat and drink all that they desired to taste.

THEY'RE A GREAT CREW . .

Wanganui turned on a terrific welcome when Snow White and the Seven Dwarfs returned after five years. The happy company made friends wherever they went and as photographers we found that nothing was too much trouble for them. We also have a sneaking suspicion that Paul and Joan Sharratt and their seven little friends developed a liking for the people of Wanganui too.

Fiesta Entertainment

Well, the point has been proved...we DO need a permanent sound shell somewhere in Wanganui. Whenever the fiesta entertainment has been held on the forecourt of the Memorial Hall there have been hundreds of spectators, mainly because people like this type of informal atmosphere with their entertainment. It was all good fare at the festival concert this year too.

Jazz Festival

Public response to the Festival Jazz Concert at the Opera House was very poor, but we must add that some of the music was not too hot either! We feel a bit sorry for those bass players who worked hard for nothing—a mike near their instrument would have helped. Above: Ken Bennett's Kensmen in the spotlight.

Compere Paul Walden must have found it hard playing to a near-empty house.

Becoming a favourite occupation around Wanganui lately is the sport of boat swarming. It's almost a regular activity what with Russian visitors to our port and the NZ Navy's little Inverell making their craft open for inspection. These pix were taken when the Inverell was in port.

Well...strictly speaking Bob Dubarry is a dwarf, not a midget. But there's no disputing that he is mighty. Tiny Bob is one of the members of the touring "Snow White and the Seven Dwarfs" company, and he recently demonstrated his strength for the Photo News camera by picking up Trevor King, tour manager, who tips the scales at 15k stone. Not only did Bob lift Trevor but he also went for a stroll with "Gulliver" on his shoulders.
