KID SCUBA

The suit is a little on the OS size for him...but that means nothing to young Adam Docherty. Adam was dressed this-a-way at the recent fancy dress parade held at Ratana. We bet he is really looking forward to the day that the suit fits...then the fish will all be in trouble. Meantime, Adam will probably stick to catching cockabullies and eels.

Sweet 100

Family celebrations lasted for days when Mrs Flora Kruse, Halswell Street, reached her century last month. And guess who enjoyed every minute of the celebrations? You've guessed it... Mrs Kruse. Telegrams from the Queen, the Governor General, The Prime Minister and the Leader of the Opposition made the occasion even more memorable.

PLAYFUL RUSSIANS

When the touring Russian Spectacular show spent a couple of days in Wanganui last month they had the chance, and took it, to enjoy themselves around our scenic spots. Those who met the tourists were impressed with their impish fun and their obvious pleasure at being in Wanganui. Please excuse us if we don't name them in these pictures...for a start we couldn't spell half of them.

National Indoor Bowls

Wanganui was inundated with a couple of thousand indoor bowlers last month when the national championships were staged here. Organisation of the tournament was terrific...everything went as to schedule. Three venues, the Stadium, the Memorial Hall and the Intermediate School hall, were used for the championships. Waikato produced some spot-on bowlers--all titles were taken by the City Club of Hamilton.

ERIC PATTERSON arrived in Wanganui from Christchurch only a couple of months ago. He works as a hairdresser and is keen on rugby, horse racing and sports cars.

Half-back Calkin spins the ball out in the Queen's Birthday game against Taranaki

TARANAKI WIN AGAIN

Well, it could be another one of those seasons, the way it's shaping up. At the time of writing this, Wanganui's representative Rugby side has had three games for three defeats. They lost very heavily to Manawatu and suffered defeat at the hands of Taranaki twice. The trouble lies without a doubt in our backs—we just haven't got the penetration or the pace. Things looked rosy with our new All Black, Peter Johns, in the line. Now we are to lose him to Taranaki. (Wonder what they do with their cast-outs? We could certainly do with them!) We must hand it to our boys, they are great on defence...but they should be! That's where they get the most practice! Until somebody wakes up to the idea that you cannot score points without getting the ball to the other end of the paddock, do or die, then we are going to have another clanger of a season.

Full marks to Am dram for its very fine production of "The Sound of Music". The show played its season to capacity houses and not many people came away disgruntled. Perhaps a couple of performers were a little bit out with their singing, but they made up for this with fine acting. Extra special congrats to those responsible for the scenery...marvellous! Fine work too by stage manager Jim Saunders and his gang with their changes.

They'll Challenge Anyone

The Castlecliff Social Club have formed a fourth competitive sport (the others are darts, football and basketball) in which they will take on all-comers. They are the first in Wanganui to form an American "8" Pool team. Many Wanganui hotels now have these little tables and if any of you can sort up a team then ring J.Hawkins, 34549, with your challenge. We visited the Castlecliff Hotel while the boys there were holding their trials to pick a representative team. This team will be: W.Haddon, J.Raukawa, J.Tutaki, B.Williams with reserves S.Scanlon, P.Carroll and T.Tamou.

Above: Pictured around the table during the trials are, from left, Ben Rawiri, Price Carroll, Willie Paranihi, Jim Raukawa, Julian Hawkins (organiser), Windy Haddon, Sio Scanlan, Dave Broughton and Jackson Tutaki.

RUAPEHU'S ASH

Nobody minds Ruapehu smoking....he's big enough and old enough...but we wish he wouldn't scatter his ash all around. With all of the recent activity up there about 50 acres of ash lies deep on the snow. This ash is about an inch deep in some places near the crater. These photographs were taken by our WNTV1 cameraman, Brian Lehrke.
