MUSCLE MEN

Training for definition and muscularity with weight training at the Wanganui Police Boys' and Girls' Club are David Owens (left) and Charles Mooney. The two are entering for the Mr Wellington contest in October.

OUR COVER

OUR COVER: Yo ho ho...the villainous pirate Black Buck carries off the raving (beauty) damsel Roberta. This colourful booth was the focal point for many who had their photographs taken at the Golfers' Ball. Made by Robuck, of course.

BACK COVER: Who wouldn't like to be photographed by this gorgeous camera-girl??? Okay, don't rush us. Watching the bird (ie) sure would be fun if we had a photographer like this. Unfortunately Sue Hardy doesn't know the first thing about cameras...she is a reporter at the Herald. (We just borrowed her).

A keen PHOTO NEWS fan, Mr Wally Curry brought us some old articles which he thought may be of interest. Sure they are...we like getting these bits and pieces from our readers. After all...it's YOUR magazine which we put out.

Above: A couple of Xmas cards sent in 1899 and 1900 to Mr Curry's father by the Prime Minister, Richard John Seddon.

Right: The Xmas cards were in the form of an illustrated booklet. This scene is of troops being farewelled at Jervois Quay.

Top right: This is a copy of a motor registration form of 1915. Only ten bob in those days...certainly gone up since, hasn't it. In the old days you just paid your half quid and then whipped around to Tingey's where somebody painted your number on to the back of the car.

Hey...what are you doing up there? While at the soccer at Cook's Gardens on a recent Saturday we espied a couple of spectators sitting on the lift tower of the new Municipal Chambers. They started to clamber down as we grabbed a tele lens.

A book compiled by Sister Mary Damian of the Mater Misericordiae Hospital, Dunedin, will have its royalties paid to the Mater Hospital building fund. "Growl You May But Go You Must" has been written by a large number of doctors, nurses, patients and lay writers and relates grim and gay stories of the healing profession in New Zealand. The stories are both modern and of earlier times, of Maori and pakeha, of fear, fun, heroism and hard work, of tunnellers at Deep Cove to a tale about "The Little Doctor of Waverley", by Dorothea Joblin. This collection of previously unrecorded memories of the New Zealand medical practice sells at \$3.50. Our review copy was supplied by Poynters.

Caravanners Live It Up

One of the highlights of the Wanganui Caravan Club's social at the Aramoho Boat Club was the fancy-hat parade. There certainly was a great selection of mad hats—some of them we picture here.

Stop Out Wins Handsomely

The unbeaten Stop Out (Wellington) team piled on three goals in the second half of their Central League soccer match against Western Suburbs to notch a 5-2 victory. The visitors looked a better team throughout the match but the local boys played very creditably all the same. It was Western Suburbs who scored the first goal and Stop Out only managed to take the lead, 2-1, right on half time.

Above: "Which way is he going to push it...???"

Below: Boy, oh boy...that's a fancy bit of trapping.

GOLFERS' BALL

Wanganui's golfing fraternity really teed things up for a swinging time by putting on a great show with their annual "Golfers' Ball". It was an evening to put away the tee caddy, get a driver and iron out the worries and cares. And most did just that...shanks. Ball photography was by ROBUCK STUDIOS. Promoting Wanganui

A couple of meetings were held in the city recently, both with the same angle, to sell Wanganui in an endeavour to attract more people here. The above pictures were taken at a meeting called by Hospitality Wanganui for local business people, particularly those in the line of catering for tourists. Mayor R.P. Andrews is pictured with chairman Mr Bryan Silk at left. They have great plans. **BELOW:** About \$4000 is the target that Selwyn Toogood and his assistant Richard Mason set for local businessmen to raise for our part in his "See New Zealand First" promotion. For this amount we could have Wanganui plugged over a national radio network in conjunction with a series of quiz shows that Mr T. plans to stage throughout the country. Perhaps "Photo News" has it wrong, but we cannot say that we were particularly taken with the idea.

Dick was very well known in Wanganui. He played rugby for Kaierau, was a member of the local Jaycee chapter and was a Scouting officer here. Many may remember him as "Paunchy Villa" in the recent Starzapoppin show. Robin's father, an Auckland businessman, has been very active in sport and Jaycee. He managed the New Zealand team at the Empire Games held at Auckland.

KIDS IN THE NEWS

PHOTO NEWS will always have room in its pages for youngsters. We came across two groups improving their knowledge in the city recently.

Pictured above are a group of children from the Durie Hill School being given a talk on natural gas by Mr Pat Roberts. He is using a model in the gas office as a visual aid for his lecture.

The happy faces below belong to children from the Keith Street School. We came across them in the Art Gallery inspecting the Rodin exhibition.

OLPHERT CUP RETAINED

It sure is refreshing to see a home team scoring tries in Wanganui Rugby. We saw plenty of tries scored a couple of weeks ago. Unfortunately it wasn't our rep team that was playing so well. It was our great Railways team who ran away to win 25-5 in an Olphert Cup game against Wellington Railways. The local team has proved unbeatable for so long now that their name is legend throughout the North Island as being "the greatest". Above left: Rex Weale dots the ball down for a try. MANAWATU WINS

RUGBY

Manawatu had no trouble in defeating the Wanganui Rugby reps by 17 points to nil at Spriggen's Park last month. Until something is done about getting some backs who will try and penetrate the defence and players who tackle properly, Wanganui's chances of winning a game remain very slim.

The Wanganui Boys' College became a hive of hilarious activity when their annual charity day was staged last month. One of the highlights was a soccer match between pupils and the staff. As you can see from the pix below, some of the teachers were a little manhandled (or boyhandled) during the game. And if you are wondering what is wrong with the chap who is running at right...well he's a perfect running a gauntlet of a hail of rotten eggs and fruit.

Boys v. Gals

The ladies of the Girls' College visited the lads of the Boys' College a couple of weeks ago to do battle on the basketball court. The dress worn by both sides was a little unorthodox...and so was the play!!! For some inexplicable reason the boys seemed to have the edge on the girls.
