## BIG RISE IN BEER

Beer went up in a big way at the Grand International a few weeks back. When Tim Hurley decided it was time to shout the workmen on his hotel extensions he sent the beer up via crane--a whole mini-tanker full. Big Joe Lockett supervises operations at left as the tanker is lifted. Right: Your refreshments are served gentlemen.

## MYSTERY PIX (win a prize!)

Well how well do you know the chimney pots in your city? If you are observant you shouldn't have much trouble in finding these around our main streets in town. You might have to go a couple of blocks off the main drag to find the one shaped like the "T" though.

You know the rules. All entries must be posted to: Mystery Pix Competition, Box 568; Wanganui.

First prize of six months' free posted subscription to "Photo News" goes to the sender of the first correct entry we open.

Last month's winner was: Mr M. Taipua, 6 Taupata Street, Wanganui. His correct answers were: a. Elde & Co's factory building, Taupo Quay and, b. the College Buildings, corner of the Avenue and Ingestre Street.

## Hotel Rutland's Big Opening

Ross and Gordon Glennie were a couple of very proud boys at the grand opening of their Hotel Rutland's new Coachroom lounge bar. A large crowd of invited guests were entertained by the Glennie brothers and their wives in the sumptuous new bar area. A feature of the new amenity is the wall-plaques and murals done by a former Wanganui artist, Pamela Mathews (nee Brasell).

## JUNIOR RUGBY WIND-UP

The big treat that the schoolboy footballers look forward to at the end of each rugby season took place at Spriggins Park a couple of weeks ago. It was the wind-up party. Trophies were presented and, more important, ice creams and soft drinks were "on the house".

Thousands and thousands of photographs have been taken of the Wanganui River by tourists from the Gentle Annie viewpoint. But how many shots have ever been taken from the river of the famed lookout itself? Well, however many, here's one by us. That's the spot where everyone stops, where the cut-

## School's Arbor Day

More than twenty selected youngsters from the Kokohuia School were given a job at the school recently to mark the observance of Arbor Day. The children were given a poplar cutting each to plant out as a windbreak behind the classrooms.

The kiddies thought Arbor Day to be great fun

## In Memory Of Their Dental Nurse

The most important part of the Kokohuia School's Arbor Day observance came when an oleander shrub was planted on the lawn beside the Dental Clinic. Clive Gudsell and Raylene Ranginui put the shrub into the ground as the rest of the school watched. The special planting was in memory of the school's late dental nurse, Miss Frances Smith, who was killed recently in a motor accident.

## FOLKLORE

Wanganui has had for some time now a small circle of fans of folk music. They have been in the habit in the past of going to other centres at weekends to join in with sing-along groups in coffee bars. A trial evening was staged recently at the Regency Lounge in Wanganui and proved so successful that we now have a club called "Folklore" formed here. We attended this first evening with our camera and recorded these shots as various singers and groups took turns to entertain.

# SOME OF THE EXHIBITS OF THE SHOW

The Arts and Crafts display organised by the Country Women's Institutes of the district drew large crowds. It was held in the Savage Club hall and each Institute had work displayed in bays around the hall. Above: Never smile at a crocodile seems to be a difficult task for a little girl. The croc was knitted in brilliant colours. Right: We photographed Mrs K.Ford for our July issue but couldn't resist showing you what she won the gold medal for. The Wool Board presented her with it for the best wool rug and here she is, proud to display it for you.

## FLORAL DEMONSTRATION

Those interested in floral art in the city had a wonderful opportunity in July to increase their knowledge. Mrs Eleanor Dobbs, Wellington, gave a demonstration to a large number of ladies in the Old Folk's rooms. Mrs Dobbs has the honour of being the first president of the N.Z. Floral Society. Above: Some of the ladies who benefited from the demonstration. Right: Mrs Dobbs with the first of the floral arrangements of the evening.

## R.S.A. WOMEN'S SECTION HONOUR MEMBER

At the July meeting of the R.S.A. Women's Section Mrs M.G. Wadey became a patroness for the Association. She received a spray and a bush rose from Mrs E. Templeton (president) in recognition of 27 years' service which dated back to the A.N.A. Mrs Wadey has been both secretary and president to the association.

## FLOOR SHOW

Legs and witches britches were on display at an evening we attended recently. Who the lovely ladies behind the fans were was anyone's guess. Floor shows are the "in" thing around the city but this, we thought, was something special!

## CLUBMEN GET TOGETHER

Wanganui was recently the venue for the conference of representatives of New Zealand's Chartered Clubs. Their days in the River City were not all work--they managed to get together for a couple of social events too. Highlight of these was a very enjoyable cabaret in the Memorial Hall.

# All Saints' Fair Day

No one was turned away and there were plenty of bargains to suit all tastes at the All Saints' Fair held in the Memorial Hall in July. Above: Mrs C. Wills and Mrs J.Rivers at the toy stall. There was a wondrous variety of toys of all sorts. Hours of work must have gone in to the making of them. Right: We thought it most unusual to find a man in the second-hand clothes department. Business was brisk for Mr W.L.Webb. Below left: Mrs R.Bailey had a nice line of dolls clothes for the most fashion conscious dolls.

Above right: Mrs Wadey and Mrs F.Jackson were busy selling tickets for the raffles. Below right: Mrs Miller was dressed for the part with a tape measure stole about her neck.

# C.W.I. EXHIBITION OF ARTS & CRAFTS

The Country Women's Institute display of arts and crafts of all kinds included demonstrations of hand work being done. Above left: Mrs R.Cathro demonstrated the use of icing and an icing bag to make decorative novelties for children's parties. She also showed how to make most attractive cushions in gay tones. Above: Mrs Lockett looked quite at home behind her spinning wheel. Left: Mrs A.Forsyth demonstrated leather tooling and many of the women were intrigued with her beautiful work. Mrs Templeton and Mrs J.Turner are with her here.

Miss J.Anderson and her mother were keen admirers. They came from Marton for the display.

## PLUNKET BARN DANCE

The Castlecliff Plunket Mothers' Club went all Western a few weeks back. They shot out to Pearce's woolshed at Waitotara and staged a wow of a barn dance. Music was supplied by a Blue Grass band from Palmerston North and vocal and guitar entertainment was given by Rex Franklin and his wife, C & W recording artists.

Above: First Queen's Scout. A visit to Government House to be invested as a Queen's Scout is a big thrill for Venturer Donald Anderson of the Tawhero Scout Group. From left in the pic are fellow Venturers Bruce Reid, Gary Tasker, Denis King and Craig Lyne.

Below: Open Day. The Wanganui Model Engineering and Experimental Society recently held an "open day" for the public at their Alma Road headquarters. ## Rutherford Drama

"Moonstruck" was the name of the play Rutherford presented to an enthusiastic audience on the 30th of July. The play was very topical but this, I was told, was pure coincidence. All about a trip to the moon, the play was greatly enhanced by the very beautiful backdrops painted by Mr and Mrs Andrews and some of the pupils. Above: One of the futuristic backdrops of a very mod city. Above left: Wendy Fairbrother as Anita. She also managed to fool the boys she was a moon man. Ray guns and special effects were devised by Ian Dickson. Above right: Glen Clark on the moon. Below right: The girls went to find the boys on the moon. Mrs Knowles produced the play while Mrs N.Griffiths was musical director. A great effort by young drama enthusiasts.

# Hairdressing Competitions

Local hairdressers figured very prominently among the winners at the recent annual championships of the Wanganui Master Ladies' Hairdressers' Association. Entries were received from far afield and it says a lot for the high standard here to see many local names in the successes. Very large crowds were in attendance at the Memorial Hall during the day to watch competitors at work. The scene at right shows the layout and some of the audience as models await the judges.

Above: Most of the judging was done in the Pioneer Room this year to enable the worktables to be cleared and another event started.

## R.S.A. WOMEN'S BOWLS

The Memorial Hall was the venue for the annual R.S.A. bowling tournament for women bowlers. They came from far and near--from Hastings, Napier, Dannevirke, Waverley and Patea and many other centres (86 teams were entered in the tournament and the hall was taxed to the utmost). Above: A view across the hall while games were being played.

The winning team: Mesdames L. Bowyer, J. Nicole, M. Anderson and J. Harvey--a Wanganui team at that!

The runners up: Mesdames J. Waters, D. Stamper, S. Sammons and P. Bourne--a Wanganui team again.

## Yank Wrestlers Too Good

Wanganui was included in the New Zealand tour itinerary of the party of wrestlers from colleges in Oregon (USA). In Wanganui the visitors completely outclassed a team of amateur grapplers from the Central Districts, which included three Wanganui chaps. A small crowd watched the bouts at the Sports Stadium.

## GUESTS AT THE GRAND

Mrs Norma Hurley of the Grand Hotel was hostess at a dinner to farewell one of the staff. The guests at the dinner between them represented many years of service to the hotel. Mr R.M. Macdonnell, High Commissioner for Canada was the guest speaker in July at a Lions Club dinner at the Rutland Hotel. Right: Mrs Bain, Mrs Macdonnell, Mr Macdonnell and Mr W. Bain, president of the club.

## RICHARD GREEN ONE MAN BAND

How very pleasant to spend an evening of most enjoyable music which doesn't shatter the eardrums. This was how we felt when we shared an evening with Richard Green and his electronic organ. Richard plays modern and old time music with equal ease for 21sts, weddings, parties, dances and private occasions and adds greatly to the enjoyment of the evening.

It was a great night for the Bill Townsends--they were also celebrating a wedding anniversary.

Cosmo man Jimmy Mack and wife Peggy were at the cabaret

Barmen were drawn from the various Wanganui Clubs

## Chartered Clubs' Cabaret

A very happy evening of fun was enjoyed by the large crowd which attended the Chartered Clubs' cabaret at the Memorial Hall a few weeks back. Swinging music by the Highlites contributed to the success of the evening.

A nice shot of Mr and Mrs Dave Upchurch--by ROBUCK naturally!!!

'Laney Andrews, Mr and Mrs Willis, snr., Mr and Mrs Bernie Willis and Ormy Andrews.

Don't let him fool you. Keith was not as bad as he was making out--just clowning for the camera. John Fisher has a glint in his eye too.

Ain't love grand! Wally and Lorraine Hawke caught billing on the dance floor

Obviously enjoying the evening were the Chas Bunkers

Man, oh man! What an approach!

# FUN 'N' GAMES IN THE COUNTRY

High on a hilltop these people watch a game of Rugby being played in a paddock down below

If you didn't want to play, you could always sit and natter and watch the others have fun

If you ever wonder what they do for fun out in the country... why don't you go and find out like we did? We hopped in to the car and drove out to the Whangaehu school one recent Sunday and found they had a games afternoon on. Kids played kids, kids played parents, parents played parents and Whangaehu played Turakina--at Rugby, basketball and anything else they could think of.

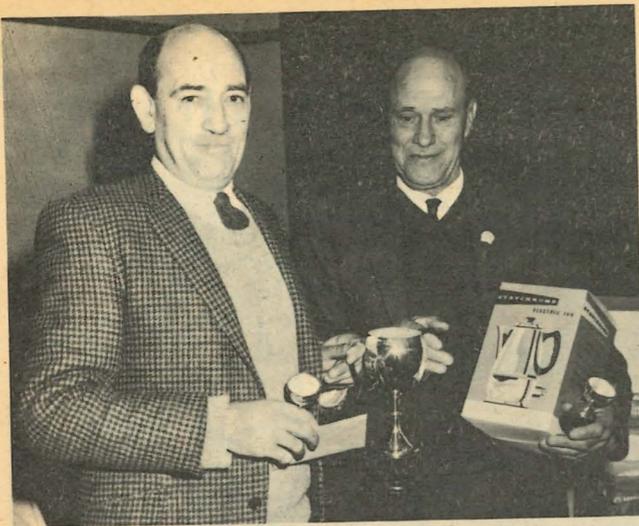

Parents watch Whangaehu kiddies play Turakina

Former Wanganui footballers Maitland Watt and Jack Karatau turned out to play against the teenagers. That's Jack at far right playing in his usual position at the front of the lineout. Maitland is the little chap in the middle without the whiskers--right behind Jack in the stripes.

The mums played the teenagers at basketball. We bet there were a few aching muscles around Whangaehu for the next few days. And to follow up all this activity? Why, tea and real cream sponges of course!

## Top Fishermen

The Wanganui Surfcasting Club closed its season with the presentation of trophies last month.

**Top left:** First equal with the most snapper caught were Keith McNaught and George Boswell.

**Above:** Club president N.Rouse (right) made a presentation to Dave Burnham--he caught the heaviest fish of the season.

**Far left:** Hubby George was absent so Pat Clark stepped up to receive his trophy.

**Left:** Another busy season behind him: club secretary Phil Staples.

Junior members fish well. These three were in the trophy line-up: Craig Clark (he caught the most fish of the season), Graeme Rouse and Keith Slight.

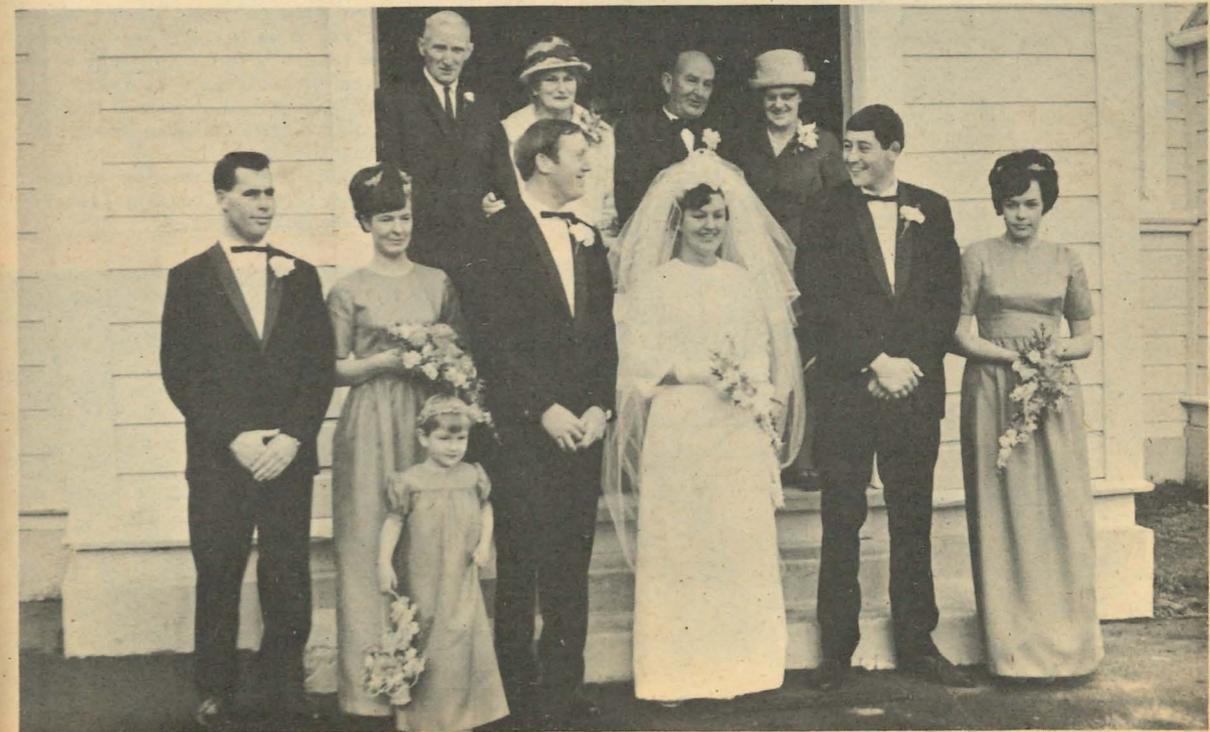

The three heaviest snapper earned nice prizes for Mr R.Healey

Wanganui's Red Pepper Restaurant at the Avenue Motels was the recent venue for an Interflora seminar. Florists belonging to Interflora from the top part of the South Island and the lower half of the North Island got together to hear about and practise various techniques in the preparation of flowers for sale. Guest demonstrator was Miss Olive Dunn, Invercargill. She is pictured at top left with Mr David Anyon, a Wellington florist.

## Citizens Plant Gardens

About 120 Wanganui citizens were invited to assist the Wanganui Beautifying Society in the planting out with shrubs of a new area at the St. John's Hill "lookout". People responded well to the appeal and turned up in great numbers with their spades.

## DRAMA LEAGUE FINALS

Two plays, "Strip Jack Naked" and "The Rattle" tied for first place in the Northern Divisional finals of the British Drama League one-act play festival, held in Wanganui's R.S.A. Little Theatre earlier this month. Both of these plays were presented by the New Plymouth Repertory Theatre. Other finalists came from Ngaio Revue, Wanganui, Hawera and Patea.

## UP-RIVER SCENE

We went screaming way up the Wanganui River a while back to try and catch a shot of the schoolboy rowers who oared their way 15 miles up to Kemps Poie. But it was us who were up the poie! Those kids cut the trip out in such good time that we missed them. But we didn't think the trip was completely wasted--took this gentle scene of the lazy Wanganui River near Parikino. Typical of the lower reaches of this famous river.

## Dr. Death Slays 'Em

A sizable crowd was treated to some fireworks with the wrestling at the Memorial Hall earlier this month. Early bouts were pretty tame and the "Dr Death" v. John da Silva started off to be a whole lot of lefts too. But then things warmed up a little to a big climax when Dr Death rammed da Silva's head into an iron post outside the ring and then slammed down a row of seats on the prostrate Big John. The police moved in and assisted a dazed da Silva back to his dressing room after the ref had given the fight to Dr Death.

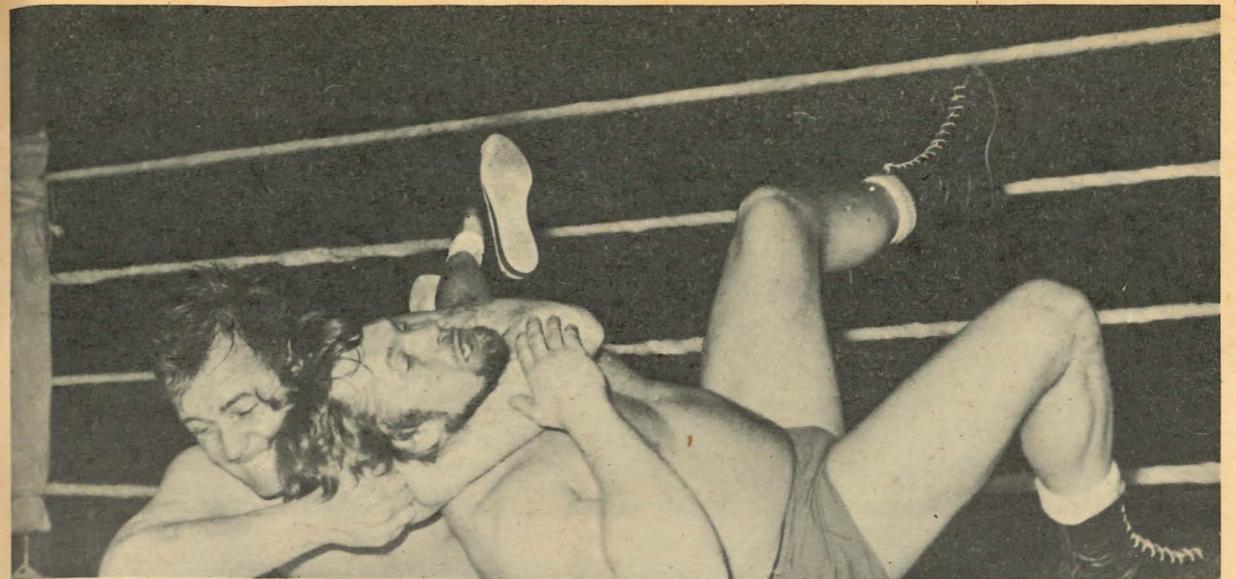

Above: A constable moves John da Silva up onto his feet.

"Keep ya hands offa me..." Dr Death kept snarling at ref Don Anderson through his mask. There was some speculation that the masked man could have been Wellington's Al Hobman.

## BUILDING PROGRESS

**Above:** The new block at the Wanganui Boys' College is starting to take shape along the Ingestre Street frontage.

**Right:** The Wanganui Engineering Works is flexing its limbs somewhat. At present it is erecting a 4000 square foot extension adjacent to its Taupo Quay premises.

**Below:** "KEEP OUT"... "WAR AMPUTEES ONLY"... don't let the signs fool you, folks. Things are so busy around the new Western Building Society construction that it would pay for everyone to keep clear. Things are certainly rising rapidly in St. Hill Street.

## POT POURRI

**Above:** Side-whiskers are all the rage with a lot of men in Wanganui at present. But we haven't seen any local ones which would compare with these samples grown in Wellington. We photographed the two while they were visiting the River City a couple of weeks ago—their names are Mash and Joe. If you think they look familiar underneath the fungus, then perhaps you remembered the pair during the college days at Wanganui Collegiate.

**Below:** Top marks to the money-making enterprise of these two Wanganui Boys College rowing crews. They rowed 15 miles up the Wanganui River to Kemp's Pole and back under cash sponsorship of various business houses in a bid to raise money for new racing boats.

## INTERPROVINCIAL HOCKEY

All eyes are on Wanganui at the national hockey championships. They went so close to winning a title last year and even better things could be expected of them this season. They certainly shaped up well at the inter-provincial tournament here recently between Wellington, Taranaki, Hawkes Bay and Wanganui.

Above: We wish them well in their games down south. From left, back: John Tizard, Keith Park, Bill Brasting, Jim Colway, Lou Ting, Randal Morgan. Front: Alan McIntyre, Don McCallum, Ray Adams, Roy McIntyre, Don Hawkins and Alan Lints.

## AROUND TOWN

Above: Big hole-in-the-road operations just up from the Avenue in Ingestre Street. Shoring was being inserted as a huge excavation was being prepared for the underground substation that is to be built here.

Below: Now isn't this nice! Something a bit arty and unusual being done by the City Council alongside the footpath up the Parson's Street Hill. Beds of cobble stones are placed at intervals and between them we guess will be either beds of lawn or flowers.

## Roving Camera

# KARATE ACTIVITIES

## INDIANS PLAY HERE

Despite the fact that Wanganui beat them by five goals to one, the touring New Zealand Indian hockey side looked very mobile and tricky when it played at the Gonville Domain. The general play was of a pretty high standard and it appeared that all they needed was more match practice to make a most formidable team.

Above: Members of the Indian community turned up to cheer on their countrymen.

## WE'LL MISS ROGER

Listeners to Radio 2Z in Wanganui are sure going to miss Raving Roger Hudson when he departs for places far away. Roger's natural wit, bright personality and cheeky nonsense made him good listening when he was at the microphone. This pic of Roger is one which we took a few weeks back when he was serving a sentence in a gaol made from stacks of marmalade in Woolworths.
