OUR COVER

The very attractive girl on our front page this time is Jennifer Martin, dressed in her Kimono as she will be appearing as Lotus Blossom in the forthcoming Repertory production, "Teahouse of the August Moon". The production will be staged in the Opera House on July 11, 12, and 13. (Thanks to Mrs Sutherland, Hadfield Cres., for the loan of the clothing and props).

Still in the Oriental mood, we publish this photograph of a lovely magnolia tree which grows just inside the South entrance of Kowhai Park, Anzac Parade.

Interesting Hobby

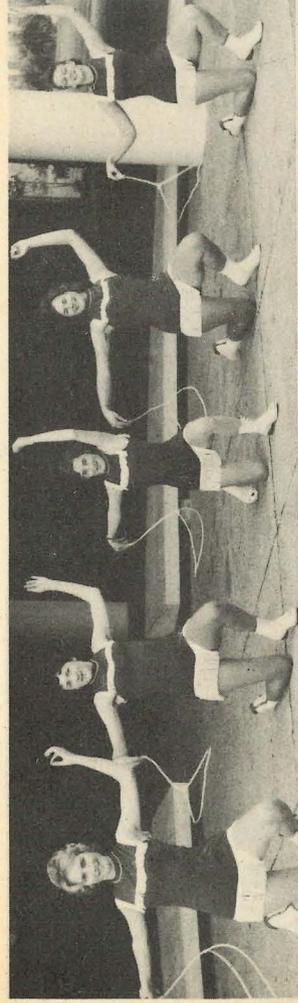

Mr Ingvard Christiansen, 1 Rangiora Street, Castlecliff, has a very interesting hobby. He spends many hours in his little workshop practising his favourite pastime...pottery. About seven years ago he attended night classes at the Technical College, learning pottery under the expert guidance of Mr H. Terry. After five years of study in the art, Mr Christiansen has set up his own wheel and has since made many articles. He even purchased an English kiln in which to do his glazing...at a high price. (Like any hobby, if you are going to do the job properly, you have to be prepared to pay for the right gear).

Mr Christiansen considers that to be a potter you almost need the qualifications of a chemist. All substances used in the art have chemical names and formulas and have to be weighed and mixed correctly.

New Routine For Majorettes

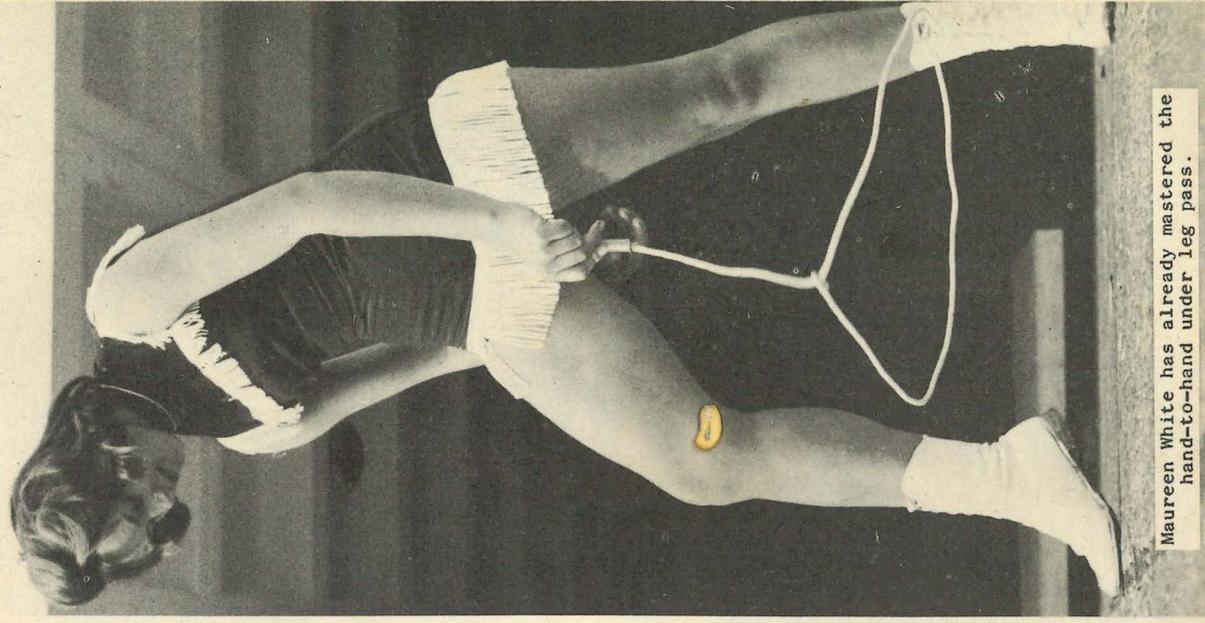

Wanganui's Drum Majorettes are really up with the times. The latest thing in the States for Drum Majorettes is lariat twirling...and now our girls have adapted this new routine. Manager-coach of the Drum Majorettes, Mr Les Wright, has procured eight special Sanpan Twirla-ropes from California for his girls, who are already adept in handling them. The Wanganui group is the first in Australasia to try this new routine.

Hockey Indian Wanderers v. Wanganui

In a sparkling hockey match at Cooks Gardens recently, the Indian Wanderers defeated Wanganui by four goals to one. A large crowd watched the game which was played on a black overcast day. The local team are to be congratulated on their performance against the touring side which contained six Olympic players. The low score by the Indians is mute evidence of the brilliant defensive play by Wanganui....the score could have been very much higher against less experienced players.

INDIAN WANDERERS: BACK ROW: Darshan Singh, Jhaman Lal Sharma, Udharn Singh, captain, Desh Mukh, Charanjit Singh, Gurdev Singh. Front row: Pirthipal Singh, Patil, Gajinder Singh, Gurbax Singh, and Herbinder Singh.

Indian captain, Udharn Singh, pauses for a few words with Wanganui reserve, Graham Campbell.

Congratulations for a grand game. Indian goalie, Gajinder Singh, recognised Jim Colway as one of the best goalies encountered on their tour. Jim was unlucky not to have been selected for the last Olympics....he deserves higher things.

The photograph was taken at the Wanganui General Hospital where Mr Harding was recovering from having a leg amputation (following an accident). Also present at the presentation ceremony were relatives of the winner, Mr Ian Megan, YMCA general secretary, Mr Ian Fawcett, NAC branch manager, and press and radio representatives. The baby contest netted the YMCA approximately £1200 for their rebuilding fund.

Vintage Car Activities

Vintage car enthusiasts really had a field day over Queen's Birthday. Big events on the weekend were a road trial for the cars to Marton and back and a dinner and social at the Palm Lounge to finish off the rally. These pictures were taken for Photo News by Jim White and John Bourne, of Wybon Photographers.

Treat For School Children

Form 1 and 2 children at the Aramoho School were recently treated to back-stage first hand knowledge of stage production when their teacher, Mr Enoke (Joss) Waitai, took them to the Opera House to see the costumes and stage sets of the Amateur Dramatics' recent production, "Showboat". The children couldn't have had a better guide for their visit, as Mr Waitai was one of the stars of the show in the part of Joe. Mr Waitai particularly wanted the children to get an insight into the back-scenes of stage productions as he hopes to stage a school show in the third term.

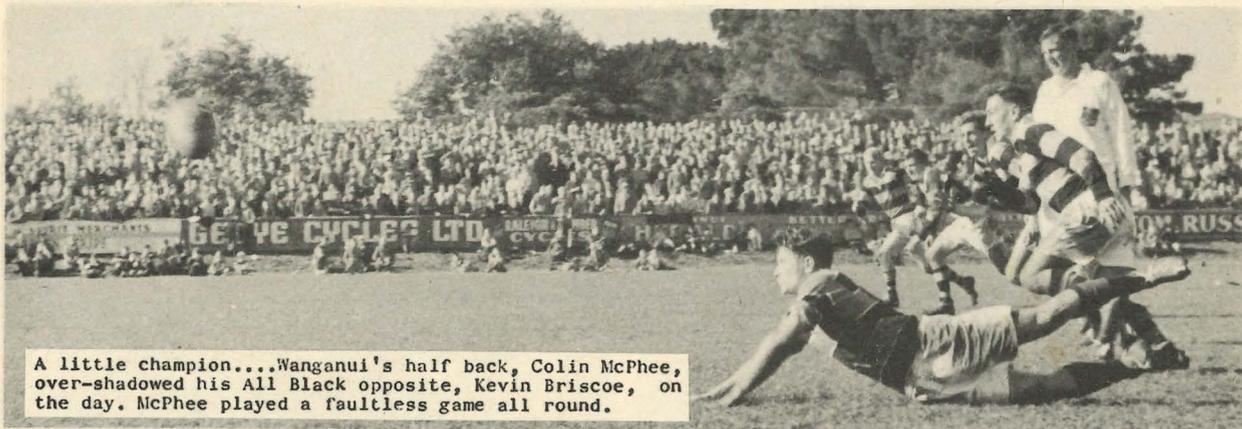

Mr Waitai used Maureen Lowe as a guinea-pig for a demonstration on making-up "darkies".

Rugby Wanganui-Taranaki Draw In Great Game

A crowd of more than 10,000 at the Wanganui v. Taranaki Rugby match at Spriggens Park on Queen's Day constituted a record for this annual fixture. And what a great game the crowd witnessed. The game had everything that one could hope for....glorious forward play, particularly by Wanganui, and scintillating back play, mainly by the Taranaki boys. The final score, 16-all, was a fair indication of the play. For a start it looked as though Taranaki would walk all over the Wanganui lads. But the River City boys rallied and their loose forwards really turned the tables and had the Ferdinand boys worried. Taranaki's near-international back line were really tied up by Wanganui's fast breaking forwards. This was a game which will live long in the memories of lovers of fast, clean, exciting football. With full time showing on the clock, first Taranaki and then Wanganui, failed in near scores to make the result a decisive one.

A little champion....Wanganui's half back, Colin McPhee, over-shadowed his All Black opposite, Kevin Briscoe, on the day. McPhee played a faultless game all round.

Taranaki forwards set up a wall of defence as Wanganui forwards burst down upon them. Half back Briscoe looks a little anxious as he awaits the ball.

Taranaki forward, B.Brown, finds the Wanganui forwards a little too good for him as he tries to stop one of their typical foot-rushes. From left, Cooney, Brown, Green, and Quarrie. Green and Quarrie were Wanganui's representatives at last week's All Black trials at Palmerston North.

Trevor Stent runs back to his team mates as referee, M.Henwood, indicates that he has scored. A.J.Mackie and J.L.Bayly, Taranaki, tried hard to stop Stent.

McGruers' Cabaret

Over 200 guests attended a recent cabaret with a difference. It was McGruers' Polynesian Cabaret, held at the Palm Lounge. The hall was decorated in South Sea Island style, the band played on a dais that resembled the deck of a launch, the entrance to the hall was made to look like the prow of a steamer, hula girls gave leis to guests as they arrived. Certainly a dance with a difference...the best seen here for a long time. This cabaret, their first, was restricted to staff members and their friends. It was such a success that plans are being made to stage similar evenings each year.

Army Reunion

Nearly 400 members of the Wellington-West Coast Regiment, now amalgamated with the Taranaki Regiment, attended week-end centennial celebrations here over Queen's Birthday weekend. The celebrations marked the growth of the regiment from the Wanganui Rifles, two companies of which were formed in July, 1861. Many of the old members came from other parts of New Zealand for the occasion. The programme for the weekend included the reunion in the War Memorial Hall, a service at the cenotaph, a barbeque at the Aramoho Boating Club's Hall, and wound up with a "sick parade" at Area 6 Army Headquarters. Pictures were taken for "Photo News" by Wybon photographer.

"Showboat" A Success

The party scene

On these two pages we publish scenes from the recent Wanganui Amateur Musical and Dramatic Society's production, "Showboat". Produced by Eva Moore, the show was very successful and the Opera House was packed out for all performances. All players acquitted themselves very well indeed and the show should go down as one of the most popular yet. These photographs were taken at a dress rehearsal.

Rugby.... Centurions Massacre Wanganui

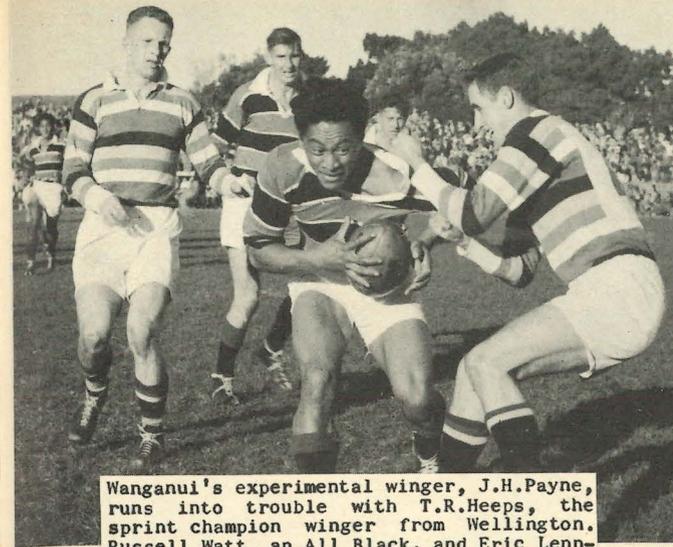

Wanganui Rugby patrons were treated to a dazzling display recently when a star-studded Centurions team ran rings around a Wanganui representative team to the tune of 49-16. However the result of the game meant virtually nothing. As far as Wanganui was concerned, it was a good opportunity to experiment with players who are in the running for the reps. As far as the Centurions were concerned, they were helping out a worthwhile cause. The match was a charity match in aid of the St. John Ambulance building fund. The crowd of approximately 5000 boosted the building fund by about £700.

Wanganui really had an off day against such strong opposition. Quarrie, pictured here with the ball, was the best of the local forwards.

Ponty gets away one of his famous "balloon" passes as Wanganui's John Staines and Colin McPhee come charging down upon him. Former All Black and Waikato half-back, "Ponty" Reid, proved that he is still on form with his general play in the game. His young son, Stuart, is pictured here with his famous dad. Stuart was one of the ball boys.

Mr Lake made a very interesting, and at times amusing, address before declaring the building officially open.

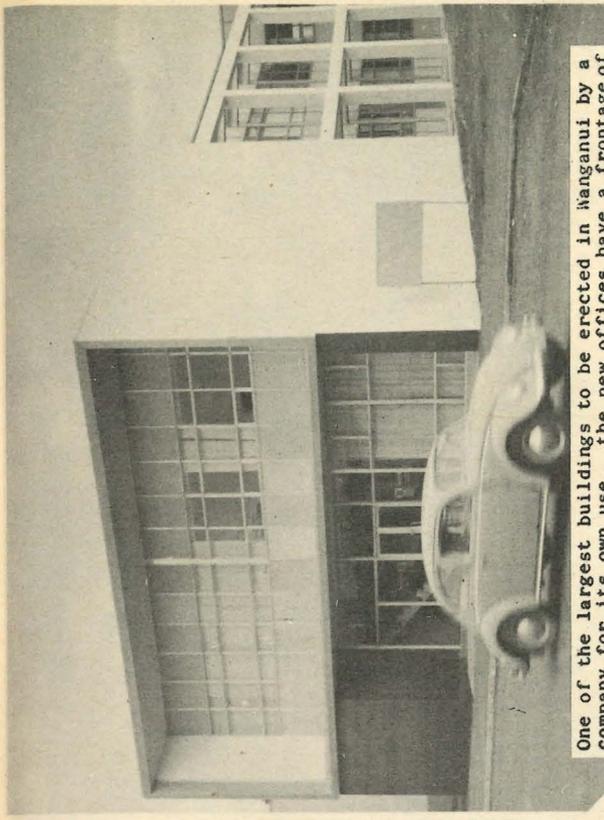

New Building Opened

Thursday, June 8th, was a big day for the Western Building Society. That was the day that their new two-storied, 10,100-square foot office building in St. Hill Street was officially opened by the Minister of Finance, Mr Lake. A large crowd was present for the opening ceremony after which afternoon tea was served.

Mock Wedding

Highlight of the recent 30th birthday celebrations of the Aramoho Women's Institute was a mock wedding. Visitors from other institutes were invited to the function.

In his note, the pilferer told the Jaycees that he was sorry, and instructed them to look after the motor as he had put new rings in it and it would not do to overload it until it was run in. A local plastering firm (not to be confused with hotels) have very kindly given their services to help the hard-working Jaycees with this project.
