OUR COVER

Residents on Bastia Hill in Wanganui enjoy a lovely view right across the river, city and out to the sea. This photograph was taken from Wairere Road looking across Hatrick's slipway towards the Town Bridge, and in the distance, the new motorway bridge at Putiki.

BACK COVER: A street scene in Lower Victoria Avenue.

Next weekend the R.S.A. Little Theatre are presenting to Wanganui audiences the hilarious comedy, "Doctor in the House". The play will run at the R.S.A. Little Theatre until the following Saturday. The producer is Mrs Pat Bell McKenzie, a personage with a wealth of experience and a ton of success in this field. The cast for "Doctor in the House" is very good.

Nurses Graduate

Eleven nurses were presented with their staff nurse medals at a ceremony at the Wanganui General Hospital recently. Of the nurses, six were maternity graduates and five were general. Another general nurse, Staff Nurse Racael O'Brien (nee Lavulo), was absent from the ceremony. The official party at the graduation ceremony included Mr R.J.G.Tregurtha (chairman of the Hospital Board), Mr W.J.Trezise (Medical Superintendent), the Hon. N.O.Shelton (Minister of Health), Miss C.Scrimgeour (Lady Superintendent), and Miss A.Laird (Matron of the Maternity Annexe).

Snow Fun

After facing the hazards of sliding down snowy slopes the tobogganners had to face another hazard in getting to the top again...flying snowballs. Pictured here are Russell Bethell, Tony Clear, and Ian Magan (burrowing in).

Members of the Wanganui Y.M.C.A recently had a trip to Mount Ruapehu for a bit of fun on the snow. The boys struck a pretty poor day for the trip (the conditions at the mountain being such that drizzle and sleet reduced visibility to a few yards and closed down the chair lifts) but the party made the best of things and still had a ton of fun with toboggans.

Darrell Skiffington found that he had many "helpers" to see him on his way down the snowy hills. Under barrage of snowballs he is about to be shoved off (literally) by Dave Bing.

Roving Camera

Honeymooners Mr and Mrs Lance Spurdle were in for a big surprise when they arrived home to see what friends and neighbours had done to their home at No 3 Gonville Avenue.

Left: TROPHY WINNERS. This Wanganui ambulance division of the St. John Ambulance Brigade won two trophies at the annual Hutt Valley Competitions held in August. One trophy was for team competition in first aid, and the other was for a team test with improvised materials. In front are Jack Nagel, No 1, and Ron Barron, coach. At the back are Wally Beswarick, No 3, Colin Slaughtor, No 4, and Ron Sharp, No 2.

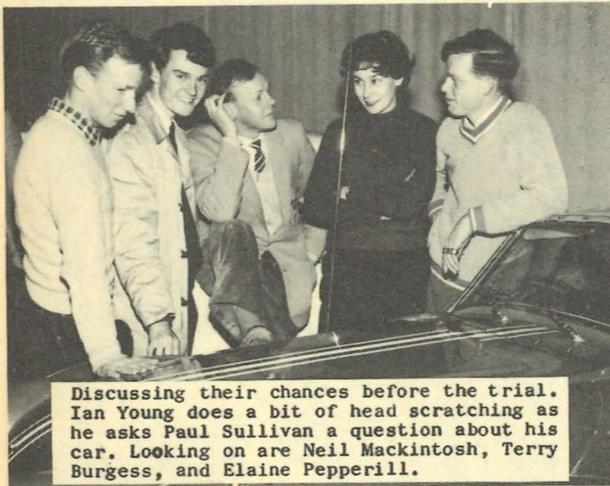

Patrons of Ken Lawrence's billiard saloon got a bit of a shock when Yellzapoppin juggler, Paula Coutts, strolled in...selected a cue... and proceeded to give a certain amateur cuesman a lesson in how snooker SHOULD be played.

Night Car Trial

Eighteen cars competed on a 45-mile course around Wanganui recently in the Wanganui Car Club's Night Trial for the Pidwell Cup. These photos were taken at the start outside the Clubrooms at Pukitiki.

Competitors and navigators study the instructions prior to the start. From left: Graeme Arnold, Rex Arnold, Charlie Brougham, John Lester, Bruce Lester, Kelvin Arnold, and Frank Meyer.

Discussing their chances before the trial. Ian Young does a bit of head scratching as he asks Paul Sullivan a question about his car. Looking on are Neil Mackintosh, Terry Burgess, and Elaine Pepperill.

Co-organiser, Peter Davis, paints a number on the windscreen as Murray Whitlock digs for some gold to pay his entrance fee.

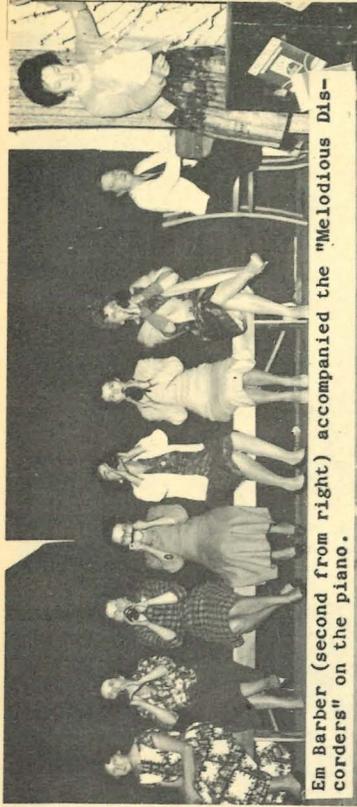

Bruce Lawrence checks the official clock held by Ernie Vincent while organisers Mr and Mrs Wally Lilley wait to start a competitor on his way.

Bob Blyth and son Christopher look a bit surprised with things as they are sent off by Mrs Lilley.

Kindy Birthday

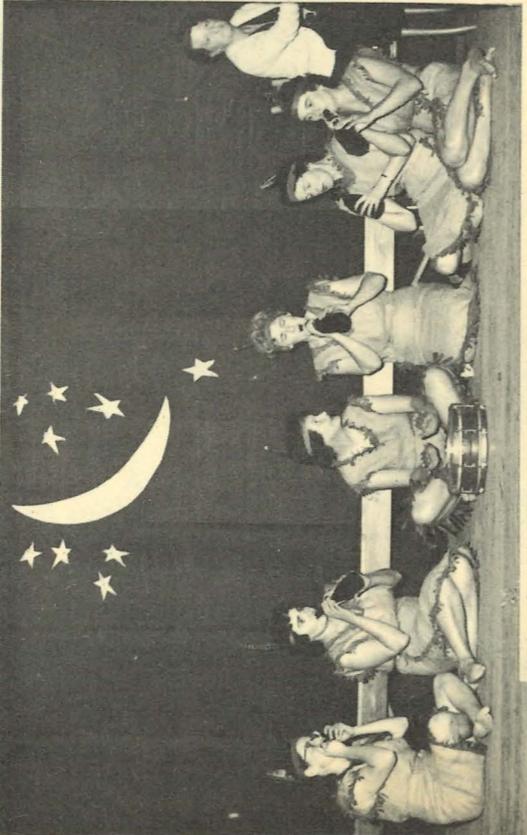

These photographs were taken at the recent 6th birthday celebration concert of the Castlecliff Kindergarten's Mothers' Club. The ladies gave some very good items after which everybody joined in the Crazy Hat competition. The evening concluded with supper.

Not a bottle party... just the members of the "Pale Moon" Indians performing on improvised kazoo-type instruments. From left: Maryann van Asbech, Doris Brown, Gaye Adair, Helen Bailey, Lillian Dick, Dot Steadman and Em Barber.

The Crazy Hat competition was one of the star items of the evening. Just about everybody at the function brought along a silly chapeau. The judges were faced with a very difficult task in trying to sort out the best hat because without exception ALL hats were distinctly crazy. However these seven were selected as the most original and the ones to which the most thought and preparation had gone into. The job of picking the 1st and 2nd places was left to popular acclaim which resulted in Betsy van Sinton (in the windmill...second from left) winning and Mrs Devonport (3rd from right) getting second prize.

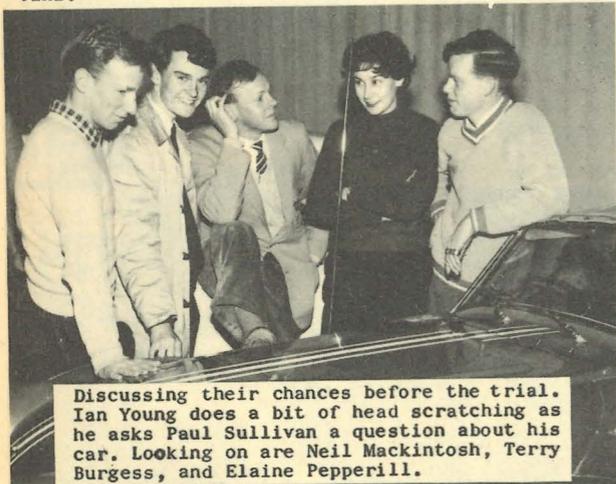

BASKETBALL REPS. These girls were selected as the 1961 Rangitikei Primary School Basketball Representatives. From left: Kitty Barnes, Janice Wingate, Sally Howlett (captain), all of the Turakina School, Mary Kumeroa, Robyn Timmins, Susan Close, all Marton Junction, and Christine Watson, MarCon.

The Wanganui Sailing Club had an impressive display of yachts. These two dummies were rigged as crewmen on a trapeze wire.

The Wanganui Water Ski Club's display included this electrically-driven toy boat with two ski-ers behind.

Members of the Sailing Club assembled a couple of yachts during the period that Aquacade was staged.

Aquacade Attracted Thousands

Fifteen and a half thousand people saw the recent Aquatic Exhibition held at the New Zealand Farmers Co-op Distributing Co. Ltd's wool-store in Heads Road. This cavalcade of boating and aquatic sports would be the first of its kind in this country. Profits are to be divided equally between the Wanganui sailing and motorboat clubs. Staged for a week, the exhibition contained just about all aspects of sporting and leisure associations involving water. The Minister of Marine, Mr Gerard, opened the exhibition.

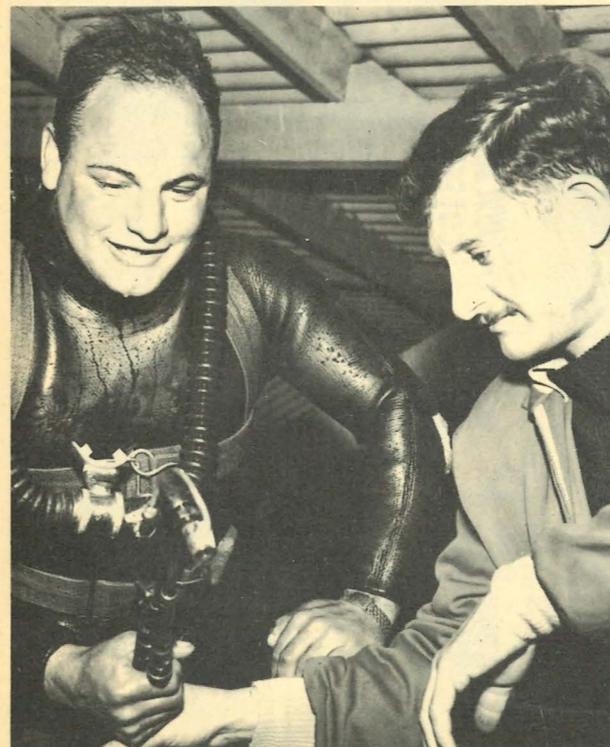

The kiddies enjoyed a swing with a difference... in a yacht suspended from the roof

Traffic Officer Cyril Adams pumped air into colleague Bill Gort's standard diving suit during one of the diving exhibitions in the perspex tank belonging to the showmen, the Lohtas.

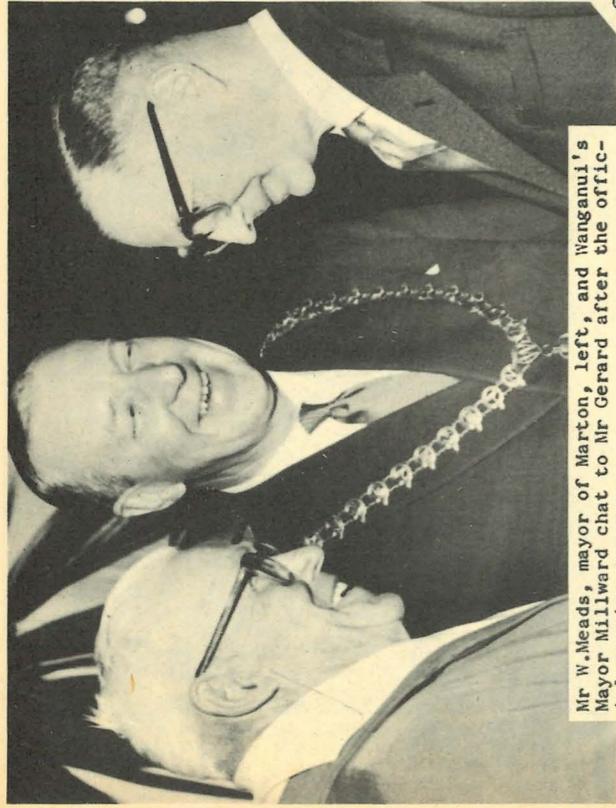

Brian Armitt, left, and diver Alex Boyce screw down the headpiece of Bill Gort's diving suit. Before becoming a coffee trap, Bill spent a number of years as a diver in the Royal Navy in England.

Gary Hope-Johnstone gave demonstrations of underwater cutting with an acetylene torch. Here Gary and Bill examine the torch. Gary, a salvage diver, was formerly a diver in the New Zealand navy.

Clive Lohta, accompanied by his father Colin, kept the entertainment side of Aquacade going. Here Clive is pictured in a "frog" suit in his special water tank.

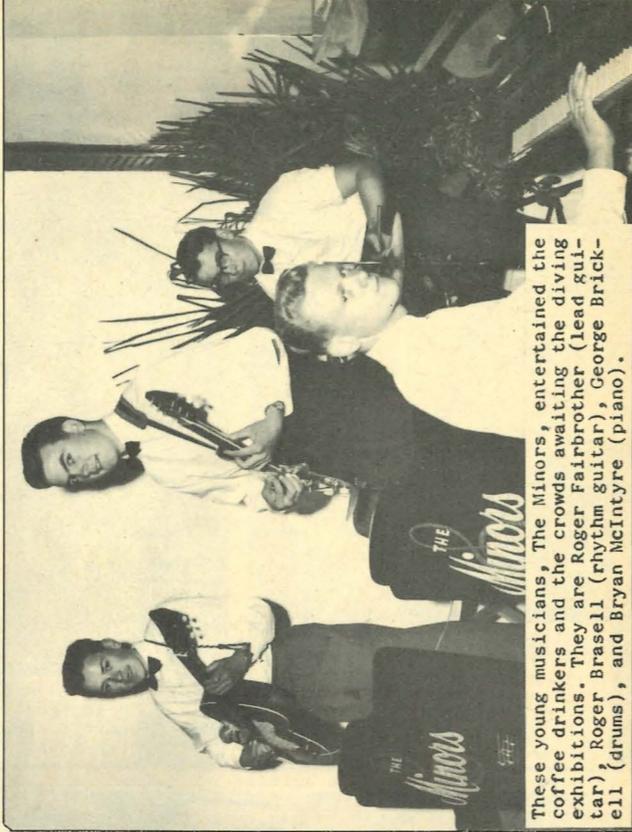

Mr. W. Meads, mayor of Marton, left, and Wanganui's Mayor Millward chat to Mr. Gerard after the official opening ceremony.

Clive Lohta pictured on stage juggling tennis racquets. He and his father will be remembered for their daring acrobatics atop the 80ft pole at the A & P show here in 1959.

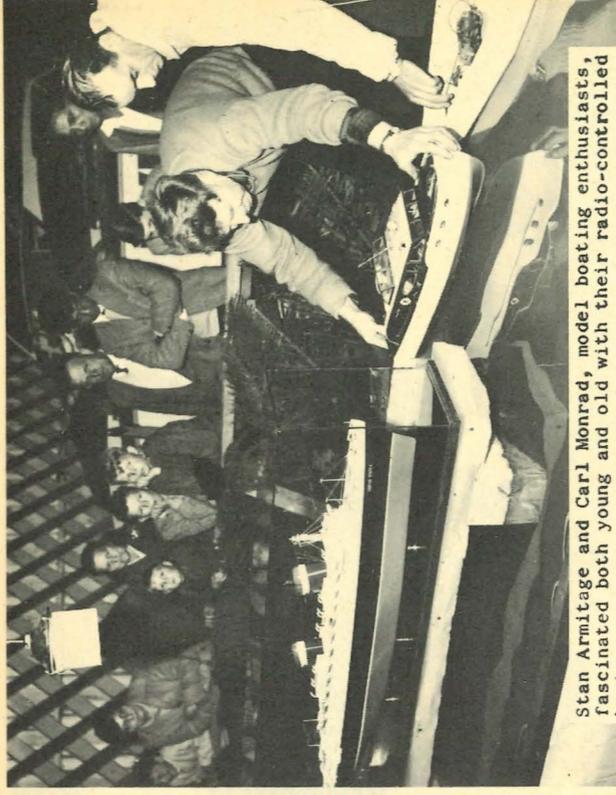

Hugh Merewether's coffee stall was very popular with the cold and thirsty patrons at the exhibition.

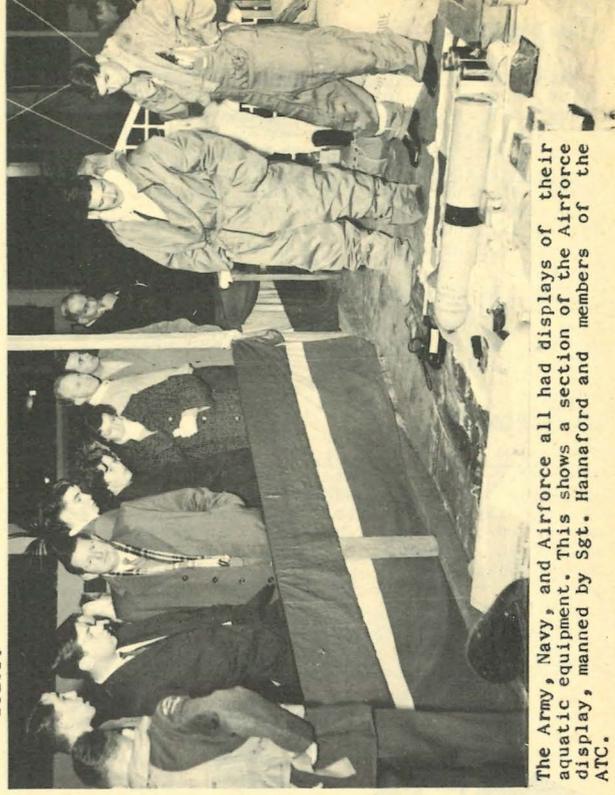

These young musicians, The Minors, entertained the coffee drinkers and the crowds awaiting the diving exhibitions. They are Roger Fairbrother (lead guitarist), Roger Brasell (rhythm guitar), George Brickell (drums), and Bryan McIntyre (piano).

Mystic Miss, a racing hydroplane which holds the Australasian water speed record at 122.98 m.p.h., was one of the stars of the show. She is powered by a Ferrari V.12 racing car engine.

Stan Armitage and Carl Monrad, model boating enthusiasts, fascinated both young and old with their radio-controlled boats.

The Army, Navy, and Airforce all had displays of their aquatic equipment. This shows a section of the Airforce display, manned by Sgt. Hannaford and members of the ATC.

Hockey . . . North Island Defeats South

With a better all-round display, the North Island beat the South Island 3-2 in the annual minor associations' hockey match held at Helmore Park, Wanganui. The match was fast, open and interesting. The weather was not the best but the ground was in good order. The game got away to a sensational start when within 30 seconds of the beginning of the game K.Percy, Wairarapa, scored a great goal for the North Island after beating the South halves, full-backs and goalie. The North Island team was managed by Neville McIntyre, Wanganui, and also contained six players and one reserve from the River City.

For The Ladies

This page is strictly for the womenfolk....this sort of thing they just lap up...but you fellas may just get a kick out of this too. It is amazing the things, the saiz undergo just to look alluring.

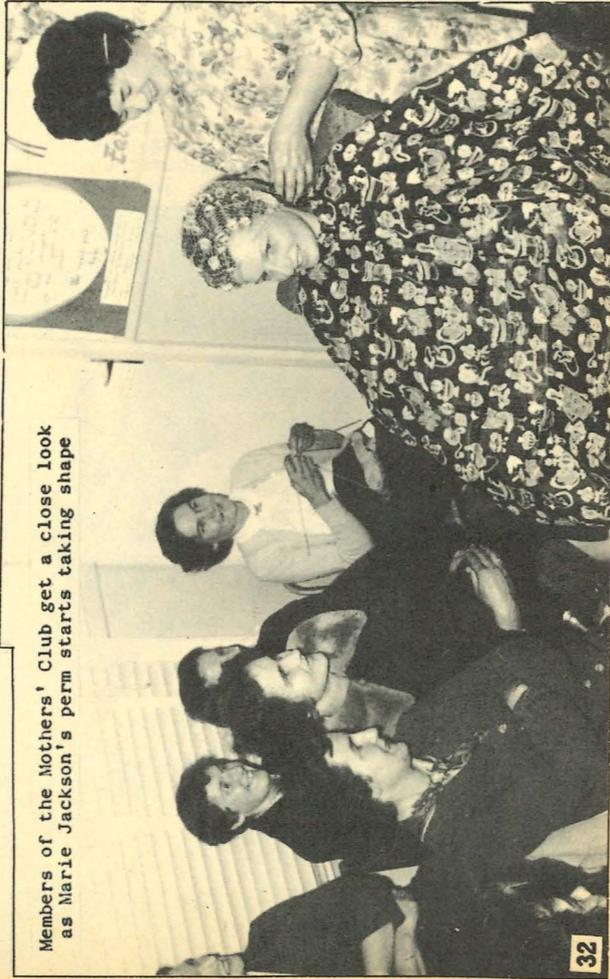

These photographs by Mr N.C.Flyger were taken at a demonstration given to the Castlecliff Plunket Mothers' Club recently by members of the staff of the Jennifer Beauty Salon. The four volunteers for the demos were Arthea Calkin (set), Barbara Tunbridge (facial), Shona Campbell (razor cut), and Marie Jackson (perm).

Nelson College Wins Again

For the third successive year, the Nelson College First XV won the quadrangular inter-collegiate Rugby tournament, when at the college it first trounced the more-fancied Wellington College team 24-3 and on the second day, won a hard final against Wanganui Collegiate 14-8. Wanganui had earlier beaten Christ's College 11-8 and Christ's College in turn beat Wellington 26-14. In Nelson's first match against Wellington College, the Nelson pack showed too much drive and the backs ran with too much purpose for their opposition. Sprinter A.J.Osborne had a field day at centre for Nelson in this game, but an injured ankle and more certain tackling by his marker, T.Ruaiti, restricted his chances in the final with Wanganui. In the final Nelson found a more worthy opponent in Wanganui. Wanganui opened with a shock try which was converted and from that time on the scoring see-sawed. Nelson held a 6-5 lead at half time, Wanganui recaptured it 8-6, then a try gave Nelson a 9-8 margin and another try gave Nelson an undisputed lead which Wanganui could not whittle down.

N.C. FLYGER

Cpl. I. Murray (Linton School of Military Engineering) was at the tiller of the Coventry Victor 50 h.p. power unit.

Coming in to the motor-boat slipway after a test run, Staff Sgt. Bruce Jamieson (Wanganui recruiting N.C.O.) casts the mooring rope.

Assault Boat Demonstrated

The Army got waterborne on the Wanganui River during Aquacade when they demonstrated their aluminum assault boat which was displayed at the show. In action, the boat can carry sixteen fully-equipped men at a speed of 10 to 12 knots. With a light load the craft will reach a speed of 18 knots. Two of these craft can be bolted stern to stern to form a pontoon for a bridge.

Above: Dr. D.W. McElwain, Ph.D, formerly of Wanganui, but a resident of Australia for the past 22 years, recently made a brief visit to Wanganui. A professor of Psychology at the University of Queensland, Brisbane, Dr. McElwain was visiting New Zealand for the annual conference of the N.Z. branch of the British Psychological Society held in Dunedin. He is pictured here with his brother Bruce, left, who lives in Wanganui.

Right & Below: Dressed Dolls. Mrs E.M. West, 66 Portal Street, Durie Hill, has for the past two or three years been dressing dolls in foam rubber as a hobby. Some of the dolls she has kindly donated to charity markets, and she sells some. She frequently gives demonstrations at women's meetings of her method of dressing the dolls.

Monkey Business

Mr Ernie Gerrand, Hamilton, was in Wanganui recently with his monkey circus. His seven little performers (plus a dog) put on their acts in Warnock's departmental store, much to the enjoyment of the hundreds of children who saw them. Mr Gerrand's monkeys (one Rhesus, five adult and one baby Indian) live very well. Every night they have a hot cooked meal. They eat everything that a human will eat except meat. Mr Gerrand has spent 25 years training monkeys. The oldest monkey that he has is 14 years, but they do live to about 30 years.

Tech. Third In N.Z. Secondary School Hockey

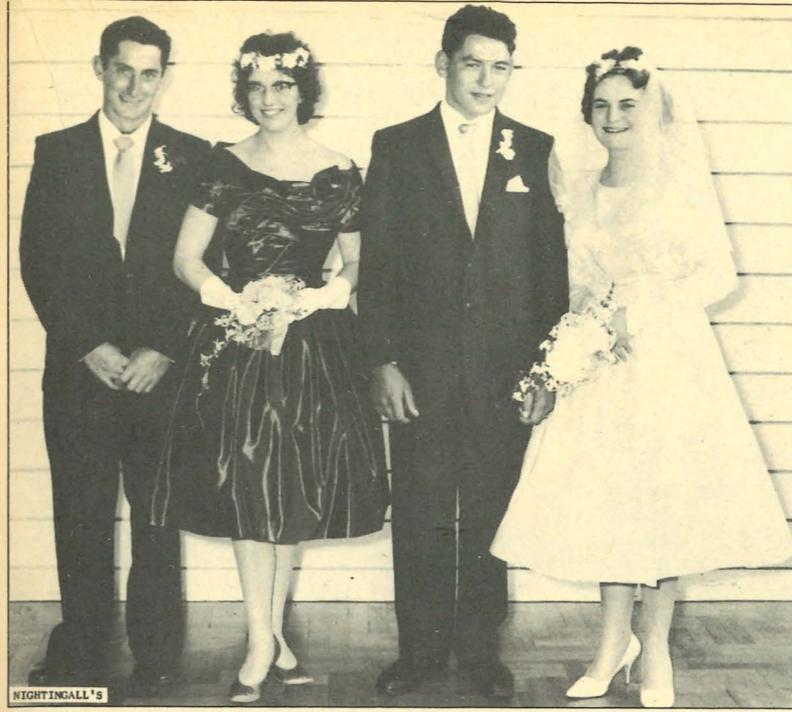

The New Zealand secondary schoolboys' hockey tournament was recently held on the Gonville domain in Wanganui. The Wanganui Technical College team played fine hockey throughout the tournament and were beaten by Nelson College by one goal. Nelson College went on to win the tournament after beating Hutt Valley High School 5-1 in the final. Wanganui Technical College outplayed Hawera Technical High School 5-0 in a match to decide third and fourth placings.

Brian Brider and John Marsh try hard to charge down a varsity kick

Rugby Varsity Wins

The Wanganui junior under-21 representatives had a discouraging warm-up match with Victoria University prior to their big match with the touring N.S.W. juniors. In the match against varsity the local boys learnt the value of pace...something that was really brought home when they eventually met the Aussies. The local boys went under to Victoria by 22-6. The university team scored six tries...five of them by old boys of the Wanganui Collegiate School...two tries being converted. Wanganui's points came from a try and a penalty goal. To be fair one must say that the Wanganui forwards played solidly...but the backs were a bit of a let-down.

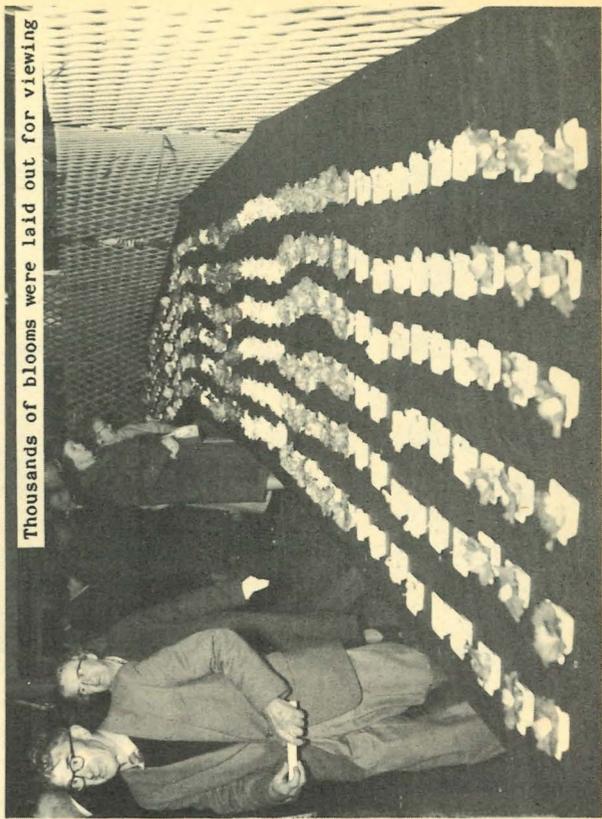

Neil Harris and Tom Pierce look as if they are either calling for the ball or yelling a warning to half-back John Marsh as he is about to be tackled

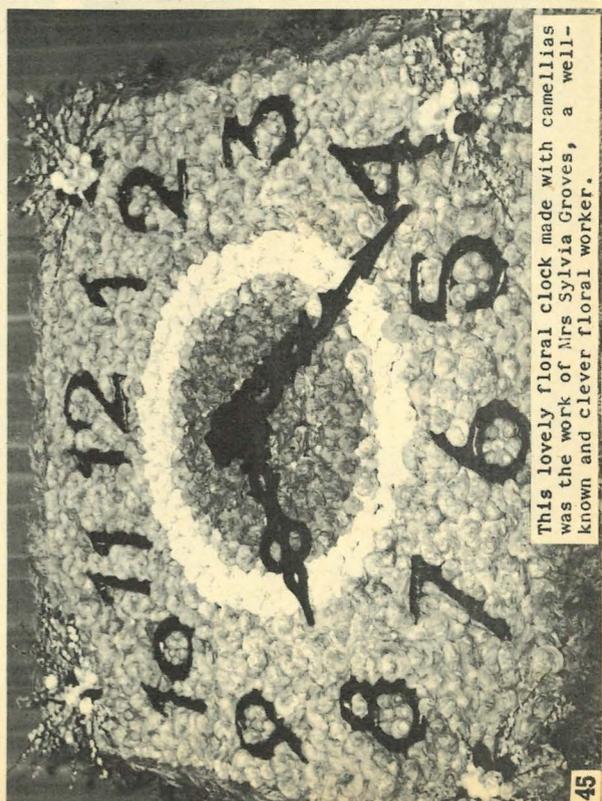

Mr Trevor Healy, hard working publicity officer (left) chats with Mr Keith Brushfield (N.S.W) and Mr Roland Young. Mr Brushfield officially opened the show and Mr Young, chairman of the Wanganui Branch of the N.Z. Camellia Society, was the grower of the champion bloom.

National Camellia Show

The Champion of Champions bloom at the National Camellia Show held recently in the Wanganui War Memorial Hall was "Phyl Doak", hybridised by Dr Brian Doak, Papatoetoe, and named after his wife. Mr Roland Young, Wanganui, raised and entered the winning entry.

Thousands of blooms were laid out for viewing

This lovely floral clock made with camellias was the work of Mrs Sylvia Groves, a well-known and clever floral worker.

Above: Break Through. The stage is all set at the time of writing this for the big "break thru" from Heads Road to Taupo Quay for the motorway over the new bridge at Putiki. This photograph was taken from Heads Road looking south across the area which just a few weeks ago had a shop and some houses on it. This highway will one day cut right through the Carlton Area and link with the Main North Road.

Below: Holiday Break. The August school holidays were a welcome break for most children. But they brought a more painful break to Ray Karaka of Whakaangi School, 110 miles up the East Coast from Gisborne. Ray was one of a party of children brought to Wanganui for their holidays from Whakaangi by their schoolteacher Brian Armstrong (ex Wanganui). During his stay here Ray fell from a bicycle and broke his leg. Pictured here are Wally Bowra (Wanganui billeter), Jackie Huriwai, Warren Malpas, Ray, and another Wanganui billeter, Robert Hallam. In the background are Mrs Bowra, Brian Armstrong, Mrs Hallam, and Joy Bowra. The photograph was taken at the Winter Gardens.

Below: Queen's Badge Winner: Julie Scally, a Hunterville Girl Guide, has been awarded the Queen's Guide Badge.....on her arm in the pix. She is the first in Hunterville to receive this coveted award. To qualify as a Queen's Guide a girl must have a wide knowledge of the Movement and be able to put the knowledge gained into practice for the benefit of the community. Julie has certainly done that.

Mayor Millward shook hands with both teams prior to the game starting. The referee behind Mr Millward is Mr Diamond, Wellington.

Hockey Wanganui Defeats Japan

Wanganui became the first provincial team to beat the touring Japanese hockey team when the players met on the Collegiate School ground. Wanganui downed the tourists by two goals to one after a tough struggle. This was the tourists' second loss of their tour, being previously beaten 2-0 by New Zealand in the first test. The Japanese were most impressive with their speed and hard and accurate hitting. Wanganui's defence, as always, was very safe. Neither of Wanganui's goals were the result of open, clean movements.

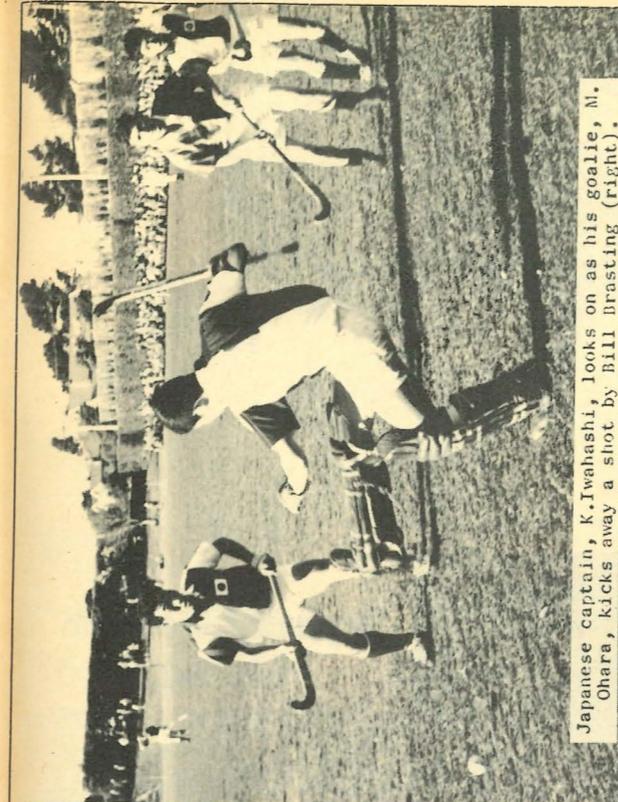

Mr H. Ichikawa, coach of the Japanese team, has a talk with his boys before the start of the game.

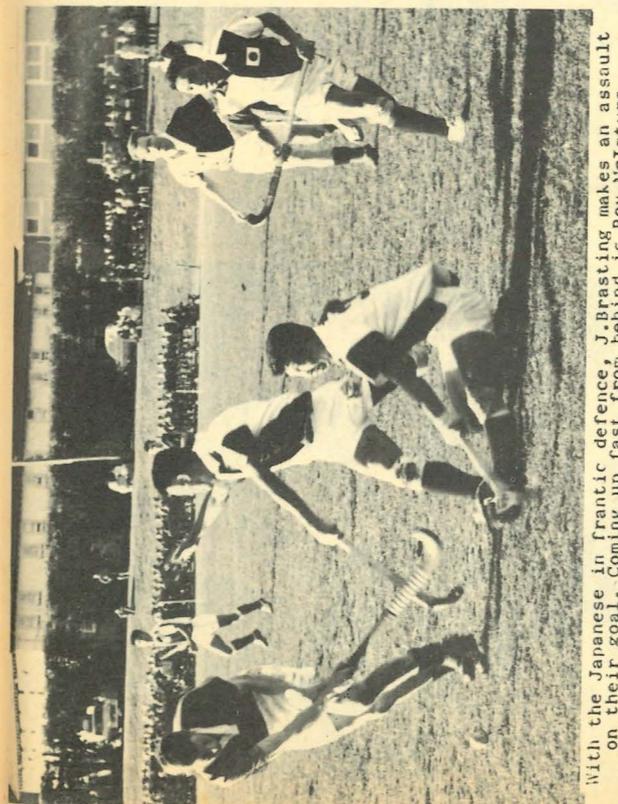

Wanganui's first goal (the equaliser) stemmed from a penalty corner. B. Rohloff shields his face as the Japanese captain, K.Iwahashi, swings his stick in an attempt to stop the ball going into the net. Roy McIntyre at right awaits to see if his team had scored from the melee.

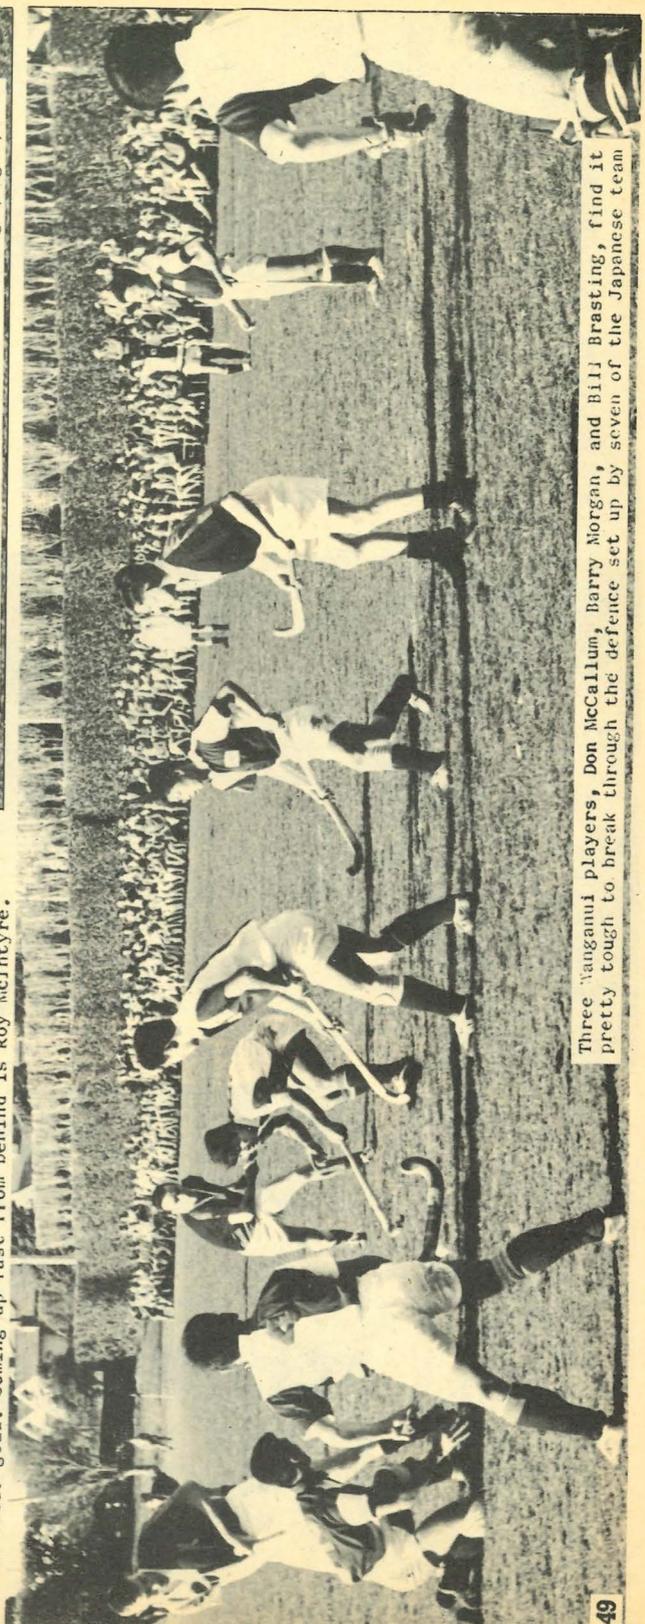

A.Okanoto bites the dust as Bill Brasting beats him and sizes up for a shot at the net. M.Ohara, the Japanese goalie, rushes out to clear while Brian Rohloff lurks in the background waiting for developments.

Japanese captain, K.Iwahashi, looks on as his goalie, M. Ohara, kicks away a shot by Bill Brasting (Right).

With the Japanese in frantic defence, J.Brasting makes an assault on their goal. Coming up fast from behind is Roy McIntyre.

Orphans' Week In Marton

For a week during the August School holidays, 23 boys and girls from the Whatman Salvation Army Home in Masterton were the guests of Marton families under a project organised by Marton Jaycees. The highlight of the week was when the orphans and their friends were treated to an afternoon at the pictures followed by a party at the Coronation Hall. These photographs were taken by Richards Studio at the party.

A popular and well known personality in the dance band world....Joss Waitai

Don Ball with his Clarinet and Alto Sax would be one of the top exponents with these instruments in this district. Also in this photograph is Wita Puke-tohe, another talented musician.

Festival of The Bands

Dancers really had a "ball" at the recent Festival of the Bands staged by the Wanganui Dance Musicians' Association in the War Memorial Hall. Fifteen bands provided dance music ranging from old time to rock and roll. Over 500 dancers attended the dance. Two stages were used by the bands which enabled the organisers to have one band ready to carry on as soon as another had finished...thus providing a non-stop succession of dances and music. Pictured on these pages are the bands which took part in the festival.

Margaret Baillie was the "thrush" with the Muskateers' group.

It was good to see Johnny O'Brien back flogging the skins. Johnny returned to New Zealand in August on the Canberra after working in the USA for two years.

Rugby ... N.S.W. Beats Wanganui Juniors

The New South Wales junior (under-21) touring Rugby team defeated the Wanganui representative junior (under-21) side by 15-6 in a poor game at Spriggs Park recently. The day was fine and the ground conditions were very good. However the game was drab, disappointing and marred by mishandling (particularly by the tourists) and hesitancy (particularly by Wanganui) in the backs to have a go. Wanganui's best efforts came from its forwards.
