WE KNEW IT WOULD HAPPEN...Councillor Ivan Brown rang to say we had forgotten to put in the "h" in Whanganui City Bridge last issue. As a matter of fact, we did put it in...but our factory staff thought it so unbelievable that they thought it was an error...so out it came! We bet that this will not be the last time that the "h" gets left out.
 NEXT TIME EH? Sorry about this readers...Due to an uncontrollable circumstance, we have not been able to publish our "Personal Opinions" page this issue.

BOUNCY SHOW

Andram's second production for 1966 was the David Rossiter-produced musical western, "Calamity Jane". The season finished last weekend before a very good house. The show was full of fun and bounce, a joy for audience and players alike. These photographs were taken by us at the opening performance at the Opera House.

SIX-DAY CYCLE RACE

David Stowell was Wanganui's sole entrant in this year's Dulux six-day cycling classic. Dave performed very well in stages six (between New Plymouth and Wanganui) and seven and finished the race proper with fifth placing of a field of 27 starters. He returned home with over £80 worth of trophies. Above left: Dave plugs up the hill out of Goat Valley. He was third in the sprint into Wanganui. Above right: Invercargill's Tony Ineson puts his tongue out and waves his hand at the photographer as he and Bill Little climb the Goat Valley hill. Ineson just beat Little to the Wanganui line and finished the tour with the King of the Mountains title. Below: Well clear of the main bunch, Ineson and Little sprint for the finish line of stage six on St John's Hill.

HERE and THERE

ABOVE. TOP DOGS: The Tawhero Golf Club recently had their top-dog competition finalised with a match between Bob Drummond and Ray Thompson and Hec Waitai and Andy Anderson. Drummond and Thompson were just a little better (or luckier?) and won the title. From left: Bob, Ray, Hec and Andy.

BELOW. OFF CRAYFISHING: Members of the Gin/Sin/Din Fishing Club pictured before their recent excursion to the East Coast in the search of crayfish. (We believe that they lost their pots, had their nets ruined by speedboats, and it rained all weekend...so what else did they do???) From left are Eddie Rison, Reg Carr, Goldie Ingram, Digger Wadsworth, Bert Gibb, Pat Wadsworth, Doug Adams and Mick Vincent.

The Y.M.C.A. recently staged their annual fund-raising gala at the Memorial Hall. Their choice of venue was a wise one--it poured with rain for most of the day. A number of novelty attractions as well as the usual stalls made the afternoon a complete success, and no doubt a financial victory.

HAPPENINGS AT THE BANK

They had fun and games at the Bank of New Zealand recently. With the Bank now providing a complete banking service with the introduction of savings accounts for every member of your family, staffers decided to dress up their premises a little for the occasion. A Sunday afternoon saw a group manhandling a sports car up the Bank's steps. The idea was to place the natty Honda inside as an inducement to saving. However the car wouldn't quite squeeze through the doors so staffers started to remove the Bank's doors. Passers-by saw the frenzied activity and decided that the scene looked fishy. The boys in blue arrived on the scene in double-quick time and soon ascertained that nobody was trying to drive out with a boot full of £SD after all.

FORUM

We recently had a phone call from a lady who wanted us to take a photograph of Wanganui's most distinctive phone box (bottom right). The Castlecliff Post Office box sure is unique--it's the only green one in Wanganui.

The Editor, Photo News,
Dear Sir, May I have the use of your Forum page to voice protest regarding Peat Park being used for the purpose of an exercise yard (and worse) for overfed house dogs. I recently observed a woman take her dog to the park by car to run around and relieve itself. Peat Park has plenty of signs around, why not one prohibiting dogs on this play area for children? Yours truly, "Mother".

Well here are your photographs of Peat Park and its signs, Mother. The sign at right was photographed in a Gonville play park...but you are right, there are none at Peat Park.

Above: Market Raffles: The recent Jaycee Market at the Memorial Hall was such a great success this year that when we turned out in the evening to photograph the customary auction, there wasn't any! Everything had been sold out at the stalls. However, there was still some activity at the hall with the drawing of raffles. **Top left:** Mayor Andrews won the Navy League raffle with ticket No.1. He is pictured receiving an electric jug from John Copeland. **Top right:** Police supervised the draw. **Below: Store Broadcast:** Station 2XA breakfasted in McGruer's window recently as part of a sales promotion for that store's mammoth sale. **Bottom left:** McGruer's manager, Maurie Buckrell, presents a T.V. stool to Mrs O. THE SUMMER SCENE

Well the sprigged boots and the winter uniforms are all packed away now. Summer is upon us and with it we have the sportsmen dressed in their whites, togs and the usual assortment of sunwear. We took our camera on the rounds recently to catch people at play at their warm-season activities. **Above left:** Engrossed in their fishing, these folk were completely unaware that their riverside sport was being photographed. **Above right:** Relaxing before his big election campaigning was Wang-nui's M.P., George Spooner. **Below:** R.S.A. bowlers pictured enjoying a "roll up" in the sun.

GOVERNOR-GENERAL AT MAXWELL

The Governor-General, Sir Bernard Fergusson, recently drove through the Waitotara County and into Taranaki on a "meet-the-people" jaunt. Our photographs here show the reception that Sir Bernard and Lady Fergusson received at Maxwell...the first official visit to the area by a Governor-General.

RATANA FUNERAL

The eldest daughter of the late Mr T.W.Ratana (founder of the Ratana Church in New Zealand) died recently. She was Mrs Rawinia Taiaroa, niece of the late Mrs Puhi-O-Aotea Ratahi (past president of the Ratana Church) and a sister-in-law to Mrs I.M.Ratana, M.P. for Western Maori. We took these pix during Mrs Taiaroa's funeral service.

Roving Camera

Above: Quick Save: Wanganui's fire-fighters were smartly on the job when a fire broke out in a Konini Street home recently. Hardly had the fire got going than the brigade arrived and put it out. Fire damage was confined to three rooms.

Below: New Season's Fashions: D.I.C. fashion photographer, Earl Buck, had his camera working overtime when his company staged a showing of the new season's lingerie, corsetry and swim-wear. Pictured modelling garments here, from left, are: Delwyn Falconer, Caroline Price, Carmen Jones and Sharon Cook.

**PRESIDENT AT
OHAKEA**

Drizzling rain, a cheering crowd, a Maori challenge party, Mr Holyoake and a thrusting, shoving, throng of security men, policemen, airforcemen and press photographers met Lyndon B. Johnson, President of the United States, as he stepped from his aircraft at Ohakea recently. The President was immediately taken to the people's hearts as he wandered along talking to them and shaking their hands. After short speeches, the Presidential party flew off to Wellington.

Top left: President and Mrs Lyndon Johnson step from their aircraft. Top right: American security men kept well clear of the flashing taiaha of this challenging warrior. Below: The President at close quarters with Mr Holyoake. Lady Bird is in the white coat behind the President.

Larry's Rebels In Church

Churches are concerned these days that the world is getting ahead of them, but many would question that the way to attract worshippers is to invite pop groups to take part.

The usual evening congregation of about 40 was increased to over 300 at the Birkenhead Methodist Church recently when the minister, the Rev B.Hilder, teamed up with a leading pop group, Larry's Rebels, for the evening service.

The group sang protest songs and played modernised versions of hymns.

"The aim of this service is to show the joys and certainties of the Church today through an idiom of today," said the minister.

Four Hundred Feet Straight Down

In the picture above, the camera is looking straight down for 400 feet, from the top of the big chimney being built at the oil-fired power station near Marsden Point, Whangarei. This must be easily the greatest vertical drop in the country. It looks down on matchbox-like buildings which are themselves of massive construction.

Below, left: Machines working near the water's edge at Bream Bay look like toys from the top of the stack. Below, right: The top section of the chimney, showing the steel framework above which the boxing former is raised in stages.

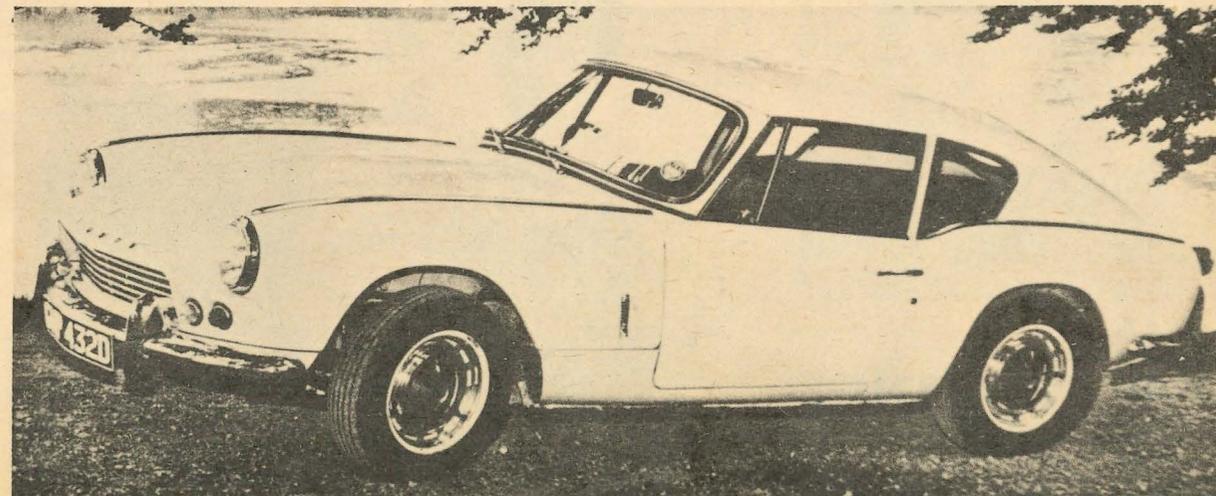

End of a Long, Long Voyage

Summer time is fashion time, a time to cast aside that winter wardrobe and head for the great outdoors in the swingin' styles of 66-67.

This month we feature the coming range of beach fashions, casual wear, and evening attire. Modeling the garments exclusively for "Photo News" are three Australian beauty contest winners (below), Misses Cheryl Waller (Miss Marina), Wendy Gibbes (Miss Golden Girl), and Marita Fagerstrom (Miss Gold Coast).

High Summer Sizzle

Go way out at the beach this year in frilled Hokanui pants and brief camisol top of colourful floral cotton, manufactured in New Zealand by Cole of California.

Mix and Match

For unlimited colour combinations, join forces with your friends and buy Mix and Match cardies, a novel garment in two halves of contrasting colours with front and back buttoning. Made in N.Z. by Shetland Knitwear. Ay-won stretch linen pants with the modern straight cut add a touch of style.

Cut Out

Following the trend of overseas, cut out full-piece swimsuits will be seen on New Zealand beaches this summer.

Navy & White

A neat Slix full-piece in popular navy with white trim

Anchors Away

A cotton knit sailor top featuring large polo neck and anchor motive by Viva Capri sports wear.

2-piece 1-piece

A Cole of California one-piece of silk velvet panties, net midriff, and Bri-Nylon top, covered with frilled nylon lace.

For the Beach

A striking Miss Hit Parade one-piece swim suit in Bri-Nylon with contrasting top and bottom. Hipster styled with little boy legs.

Go Mod

Go Mod in a dark brown knee-skimmer with white buttons, trim, and hipster belt.

For The Sunbather

For maximum exposure to the sun's golden rays, a brief spotted cotton bikini. And when it comes time to cover up, matching top and shorts complete this four-piece set.

Out West

Continuing the trend of male influence in head wear, this straw hat in the cowboy style has unbuttoning brim for extra shade.

Bikini Brief

For the slim Miss, a brief satinated bikini adds glamour to the scene.

Go Gay

After a day at the beach, go gay in a frilled Mexican cover-up top, matched here with cotton stretch trews.

Op-Art

Op-Art is in, pictured here in a mondrian style cotton knit sports top by Viva Capri with short shorts in fine black and white checks.

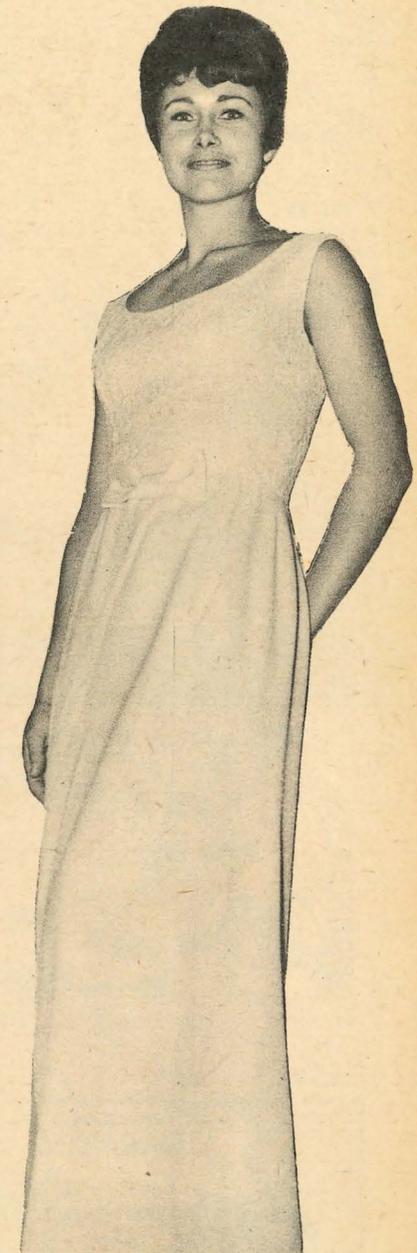

Peek-a-boo

A continental styled one-piece with slashed cut-outs inset with fish net.

For the Patio

Relax in the evening on the patio in an ankle-skimmer frock of textured cotton with large floral pattern.

Dining Out

A beautiful dinner gown for that hot summer's evening in gold crepe with an overlay of lace on the bodice.

Max and his Meteors

New Zealander Max Merritt with his Meteors, during a starring appearance on Australian TV. Max, who recently toured New Zealand in the course of a brief visit home, has become one of Sydney's top pop personalities since moving to Australia in 1965.

Sudden Change

Only a couple of months ago Maria Dallas (right) was an £8-a-week hairdresser in Morrinsville. Now she is a top popster, with a hit record to her credit, as New Zealand's leading girl Country and Western singer.

"Ja-ar"

He goes simply by the name "Ja-Ar" and is among the fastest-rising pop stars in Australia. Virtually unknown on the New Zealand showbiz scene, he was a timber worker in the Bay of Plenty before crossing the Tasman.

Versatile Tommy

Tommy Adderley, one of New Zealand's most versatile television, stage and recording artists, who has a long series of engagements lined up for him in Australia. He will tour there with the Mike Perjanik group, which has backed him on many of his New Zealand stage tours.

"Othello"

Laurence Olivier as Othello and Maggie Smith as Desdemona in a scene from "Othello", the Technicolour film version of the National Theatre of Great Britain presentation.

New Face

Virginia North makes her motion picture debut in "Deadlier Than The Male", a film based on the Bulldog Drummond novels of "Sapper".

U.N.C.L.E. Men

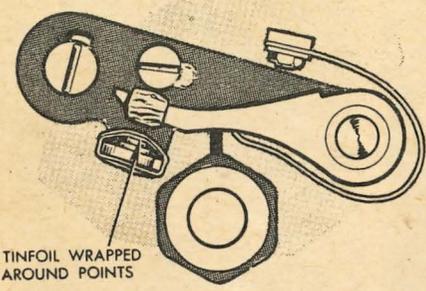

It's those men from U.N.C.L.E., David McCallum and Robert Vaughn, who have won TV fame in the espionage series. They're pictured here with Vera Miles in a scene from the film "One Of Our Spies Is Missing", based on the TV series.

TINFOIL WRAPPED AROUND POINTS

WRAPPING burned distributor points with foil will usually get you to the nearest service station or garage.

To remove a stud without damaging the threads with slip-joint pliers, run a nut down until it is flush with the top of the stud, centrepunch a mark at the threads, drill a small hole, and insert a pin. The pin will lock the nut so that you can unscrew the stud with a wrench.

A rough idea of the number of miles of use your spark plugs have seen since they were last serviced can be obtained by measuring the gap across the electrodes. In the average plug the electrodes wear about .001 inch for each 1000 miles.

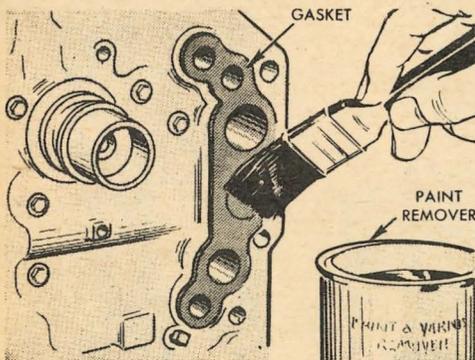

CUT END MAKES A BRUSH

BRAKE-CABLE END

Corrosion can be cleaned from inside distributor cap terminals with a wire brush made from a discarded hand brake cable. Cut the cable near its end and use the threaded adjusting rod as a handle. Unravel a few strands, insert at the terminals, and twist.

When draining the engine, gear box and differential oils it is better to do so after the car has been for a run. Then the oil will be hot and will drain out completely.

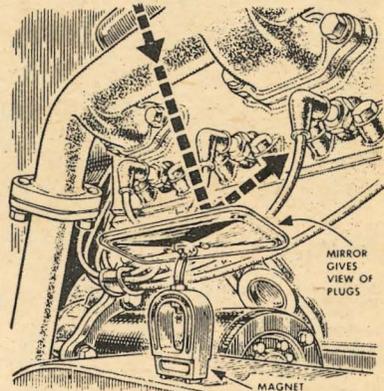

Spring breakages can be caused by shock absorbers not operating satisfactorily.

GASKET

PAINT REMOVER

Removing gaskets cleanly when overhauling an engine is sometimes quite a problem. However, if you paint the gasket with ordinary paint remover and let it soak for a few minutes you'll find that the gasket will strip off cleanly every time.

MIRROR GIVES VIEW OF PLUGS

MAGNET

An old rear-vision mirror attached to a husky magnet can help you see beneath the manifolds when installing the spark plugs in new V8's. Place the magnet on the frame with the mirror aimed at the plug openings, and you can work without having to feel your way.

LAUNCH LAUNCHED

Cyril Harper, a Marton milkman, saw the culmination of two years' hard work when his 32ft. launch "Margery H" was dropped into the Wanganui River recently. A builder by trade, Mr Harper built the boat of double skin kauri. It weighs six and a half tons and is valued at about £5000.

Top right: "Don't drop it..." an anxious Mr Harper watches the launching. Right: A crowd soon gathered to watch. Below: Bullock's cranes lifted the boat into the water.

RATANA BUILDINGS OPENED

The village of Ratana Pa has had two important amenities added to it. A recent ceremony saw the official opening of a new medical clinic and a station for a fire tender. The two new buildings can be seen above...the fire station is at left.

The couple were married in St George's Chapel by Rev F.Harrison. BOTH PIX BY B.KEYS.

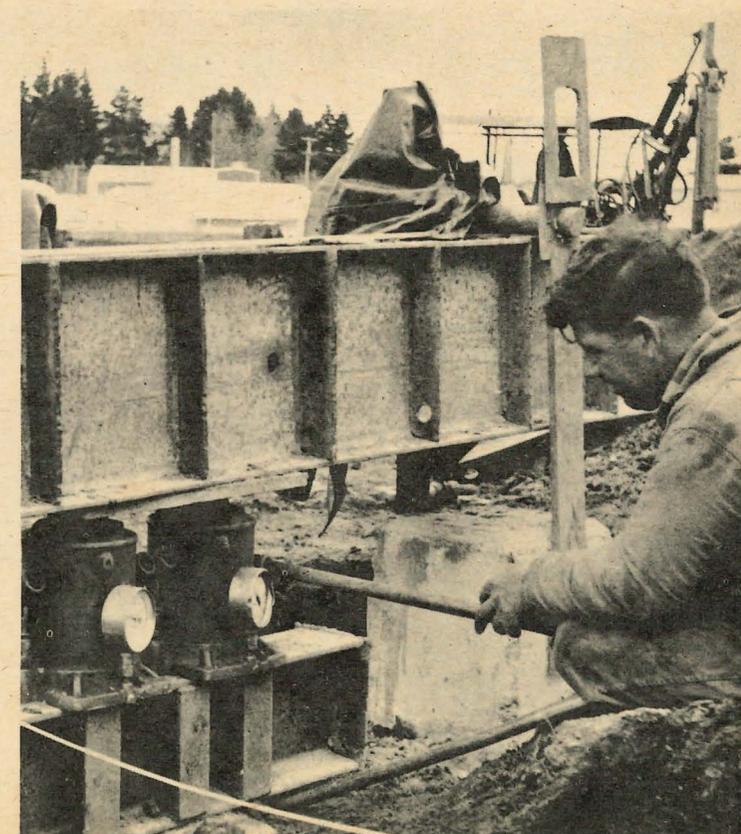

WAIOURU WANDERINGS

Well, our man in Waiouru, Lofty Keys, has been pretty busy with his camera again. He sends us these pix.

Right: They're both well wrapped against the cold.....two-year-old Ross Keys gives his pet lamb a bottle of nourishment in the Waiouru chill.

Below left: These Wanganui men know what's what with pile driving.....they are brothers L. and S.Rogan and they are jacking a pile-driving rig into position.

Bottom right: There will be a "pile" of trouble for Lyall Kendrick if these gauges don't read right. They're being used in the test loading of the first pile in a huge new Electrical and Mechanical workshop at Waiouru.

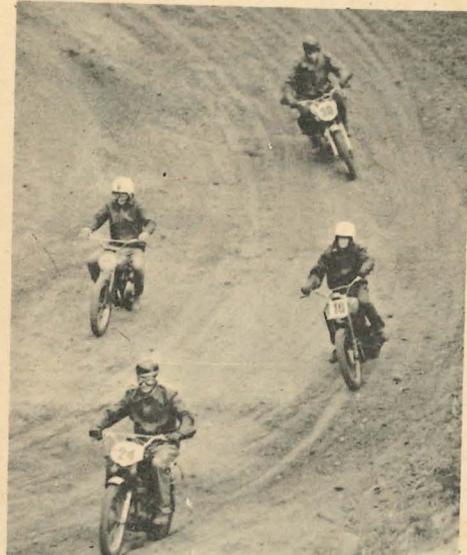

HOT ROD SEASON OPENS

About 2000 people saw the 1966-67 season opened for the Wanganui Hot Rod Club by the chairman of the Wanganui County Council, Mr G. McLean. After the official opening ceremony, drivers drove their cars in a slow procession around their Languard Bluff raceway. Some good races were seen and many thrills. A feature of the opening day was the appearance of a few motor-cyclists on the track.

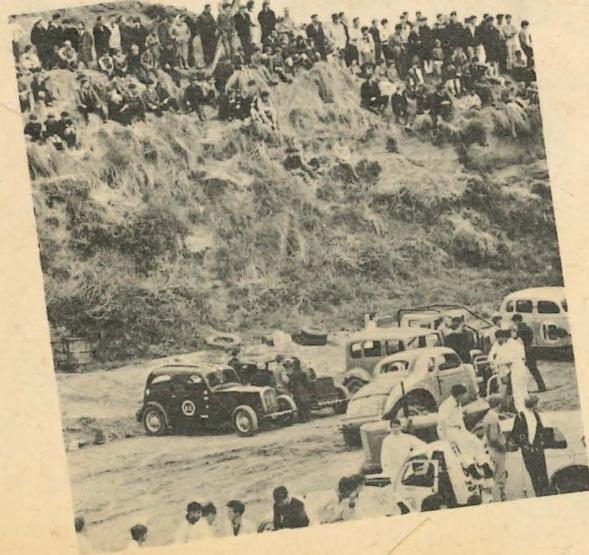

Right: Mr E. J. Kirk, Harbour Board chairman, speaks. Also on stage are Mr McLean, Mesdames Gray and McDonald, Jim McDonald and Peter Gray (co-organisers of the club) and Ian Turner, Hot Rod Club president.

GIFTS FOR THE AGED

Brownies from the Durie Hill group recently walked to the Hikurangi Home for the Aged to distribute gifts among the residents. The elderly folk were overjoyed with their presents of flowers and home produce and were particularly interested when the Brownies performed their pack activities.

SCHOOL GALA

If you want to go to a gala to buy some really nice food...well go to one of the country ones. We took our camera out to the Whangaehu School's gala recently and you should have seen what they were selling! Beautiful cakes made with fresh eggs and fresh cream, home-made bread, and vegetables of great shape and size (no shortage of manure in the country). The gala was organised by the Home and School Association and funds raised totalled about £150.

ORCHESTRA'S CONCERT

A large audience attended the Wanganui Orchestral Society's recent concert in the Intermediate School Hall. The whole performance was of a very high standard, but the items that were of special appeal were those in which the intermediate choir joined the orchestra. Other items were given by the choir and recorders. Proceeds were given to the school funds.

DISASTER EXERCISE

The Civil Emergency Division of the St John Ambulance recently treated and rescued 12 victims of a mock earthquake which had wrecked a Balgownie Avenue house. Wounds and screams of pain were very realistic and Doug Jackson and his boys and two nurses from the St John Transport Division made a fine job of their work. This phase of work is very interesting and exciting—we are sure that many of our readers would like to join up and be trained to help in the event of a major disaster in Wanganui.

Future home, Turangi. (RICHARDS)

TAWHERO GALA

Rain spoiled a perfectly good day as far as the Tawhero School's gala committee was concerned. It was bad enough having to compete with other galas on Guy Fawkes day, but the rain was the last straw as far as affecting patronage was concerned. However, the fete still went off with a certain amount of financial success.

PICTURESQUE SETTING

The beautiful grounds of the Misses Alexanders' home, 96 Anzac Parade, provided a lovely setting for the recent All Saints' Garden Party. Drizzling rain spoiled things to some extent, but the fete was still quite a good success.
